

Cabinet Member for Jobs and Economy

Portfolio Responsibilities

Where not otherwise reserved to the Council, a committee of the Council or other body under the Local Authority Functions Regulations, or where authority has not been delegated to a Chief Officer and, in consultation with a relevant Cabinet Member, as necessary, to take responsibility within the Cabinet for all matters relating to:

- The regeneration of the physical environment of the Borough.
 - Strategic town planning, including development control and building regulation, the development of supplementary planning guidance and regional planning guidance.
 - Land and property management (excluding those Council strategic assets held for the purposes of operational service delivery) including the declaration and making of clearance areas (excluding housing clearance), the declaration and making of compulsory purchase orders, permitted development rights and the designation of conservation areas, areas of archaeological interest, nature reserves, green spaces and parks.
 - Markets and market management.
- Regeneration and transport planning, the transport network and public infrastructure.
 - The achievement of economic regeneration, the creation of jobs and the development of wealth.
 - The improvement of employment levels and the reduction in worklessness in the Borough.
 - The maximisation of employment, training and local business opportunities arising from the physical regeneration of the Borough.
 - The development of links with the local business community and skills/worklessness agencies and regional and national employment organisations, agencies and associations.
 - To deputise for the Leader of the Council on the Local Enterprise Partnership.
 - the development and promotion of environmental sustainability in the Borough, with particular emphasis on sustainable energy, climate change and controlling emissions of carbon dioxide.

Cabinet Member for Jobs & Economy (cont.)

- In accordance with the provisions of the Employment Rules as set out in the Council's Constitution, variations to the establishment of those service areas which fall within the remit of the Cabinet Member.
