

TIP Timeline

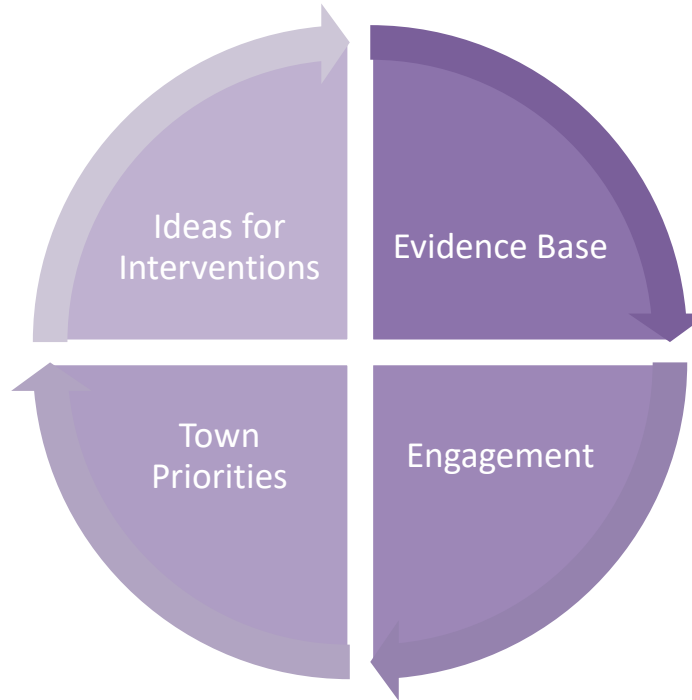

Two key stages for each Town leading to the Town Investment Plans (TIP)

Stage 1 – Ideas Generation

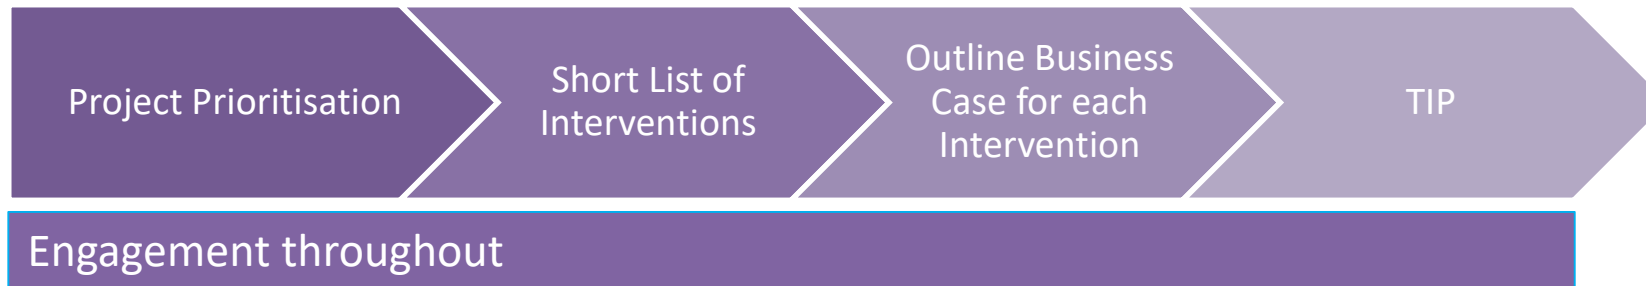

Stage 2 – Intervention Development

Stage 1 – Ideas Generation

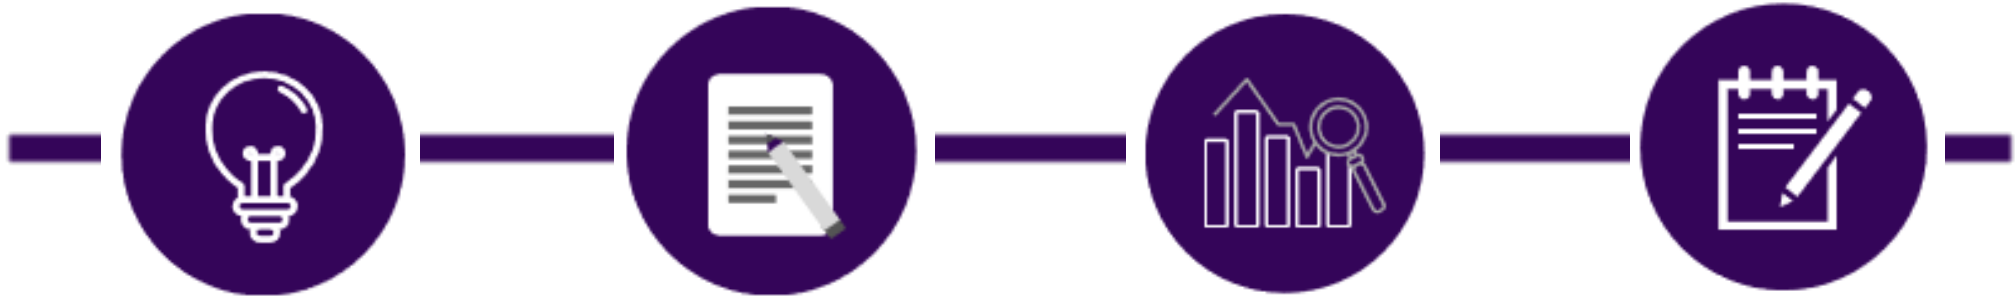

Stage 2 – Intervention Development

Project Prioritisation

**1
Sift Ideas Generated**

Sift ideas to ensure that the project is broadly compatible with the criteria outlined in Towns Fund guidance and with Sandwell Council’s aspirations as set out in the Vision 2030. This will lead to a long list of projects

**2
Complete a Project Proforma**

Complete a project proforma for each project on the long list

**3
Score the long list of projects**

Score the long list of projects against success criteria

**4
Short list the projects**

Short list the projects based on the scoring to determine which projects will be included within the TIP for investment from Towns Fund.
