DECISION RECOMMENDATIONS

That Children's Services and Education Scrutiny Board:

1. Note the contents of the report and MASA document.
2. Considers the implication for the Council of the transition from Sandwell Safeguarding Children Board (SSCB) to Sandwell Children's Safeguarding Partnership (SCSP)
3. Endorse the SCSP Multi-agency Safeguarding Arrangements (MASA)
4. Make any comments and recommendations as necessary.

1 PURPOSE OF THE REPORT

- 1.1 To inform Children's Services and Education Scrutiny Board of Sandwell's new multi-agency safeguarding arrangements in response to legislative changes affecting Local Safeguarding Children Boards.

- 1.2 To present to Children's Services and Education Scrutiny Board the Sandwell Children's Safeguarding Partnership Multi-agency Safeguarding Arrangements (MASA).

2 **IMPLICATIONS FOR SANDWELL'S VISION**

- 2.1 The work of SSCB and new multi-agency safeguarding partnership is a statutory requirement of which the SMBC is a statutory safeguarding partner. The work of the new partnership will transcend a number of the Vision 2030 ambitions namely:
 - 2.2 **Ambition 4:** Our children benefit from the best start in life and a high-quality education throughout their school careers with outstanding support from their teachers and families.

Ambition 5: Our communities are built on mutual respect and taking care of each other, supported by all the agencies that ensure we feel safe and protected in our homes and local neighbourhoods.

Ambition 10: Sandwell has a national reputation for getting things done, where all local partners are focused on what really matters in people's live and communities.

3 **BACKGROUND AND MAIN CONSIDERATIONS**

3.1 **Wood Review**

The Wood Review of local safeguarding children boards raised concerns about the role LSCBs played in protecting and safeguarding children. The review highlighted a number of concerns about the safeguarding system, in particular relating to the leadership role from some DCSs, there was a variance in systems and structures which became complicated and unwieldy (ie the serious case review and child death functions) with a significant lack of evidence of learning and improved outcomes for children and young people. LSCBs were deemed not sufficiently effective. Alan Wood recommended the abolition of LSCBs and their replacement by a stronger statutory partnership of the key statutory agencies - police, CCGs and local authorities – who would in turn determine local safeguarding arrangements.

3.2 **Children and Social Work Act 2017**

The Government accepted the recommendations from the Wood review and in response made key legislative change to Children Act 2004 through and as amended by the Children and Social Work Act 2017. The Children and Social Work Act 2017 received Royal Assent in April 2017. Section 30 of the Act removes the requirement for local areas to have

LSCBs. Sections 16 – 23 introduce a duty on 3 key partners (local authorities, police and CCGs) to decide with other partners as locally determined to work together in a local area to protect and safeguard children. These arrangements must identify and respond to the needs of children in the area and identify and review serious child safeguarding cases which raise issues of importance in relation to the area.

Thereafter the Department for Education published Working Together to Safeguarding Children in July 2018. This is statutory guidance which sets out the requirements for the new multi-agency safeguarding arrangements. Included in statutory guidance is the provision of independent scrutiny.

3.3 Transition timeline

The DfE's timeline for agreeing, publishing and implementing the new safeguarding partnership arrangements is set out in the additional guidance on the transition arrangements, Working Together transitional arrangements 2018.

3.4 Key points to note are:

- 12 months from commencement of provisions of Act for 3 Safeguarding Partners to agree arrangements. This must be done by 29 June 2019
- The arrangements must be published and notification sent to the Secretary of State
- Within 3 months of publishing arrangements, the 3 safeguarding partners must implement the arrangements
- There will be a 12-month period for LSCBs after new arrangements are in place to complete and publish any outstanding Serious Case Reviews
- There will be a 4-month grace period for CDOPs (under the LSCB) to complete child death reviews
- The child death review partners (the local authority and the CCG) will have 12 months from the end of June 2018 to agree the arrangements for child death reviews and 3 months to implement them (by the end of September 2019)
- Once the arrangements have been published and implemented, the LSCB will no longer exist.

The statutory Safeguarding Partners have agreed that the multi-agency safeguarding arrangements will be published in March 2019 and intend to implement the MASA from 1 April 2019.

3.5 The transition guidance details the arrangements which should be followed during the transition from LSCBs to safeguarding partners and child death review partners (including timelines for managing existing child death reviews) and during the transition from the current system of Serious Case Reviews to new national and local review arrangements.

3.6 **Key Changes**

Responsibility for the new MASA rests with the 3 Statutory Safeguarding Partners

- ✓ Local Authority
- ✓ Chief of Police
- ✓ Clinical Commissioning Group
- ✓ Sandwell Children's Trust has a 4th Safeguarding Partner

3.7 The Sandwell Children's Trust has been identified as the fourth Safeguarding Partner due to its relationship with the Local Authority. The Children's Trust is an independent organisation set up to run children's services. In Sandwell, the organisation has taken the form of a company owned by the Council.

3.8 The four safeguarding partners are responsible for:

- The coordination of safeguarding services including how to work together and with other relevant agencies
- To act as a strategic leadership group in supporting and engaging others
- Implementing local and national learning including from serious child safeguarding incidents

3.9 The Statutory Safeguarding Partners are equally and jointly responsible and must make arrangements to work together with relevant agencies (as they consider appropriate) to safeguard and protect the welfare of children in the area.

3.10 **Everyone** who comes into contact with children and families has a role to play.

3.11 **Relevant agencies** are those organisations and agencies whose involvement the safeguarding partners consider is required to safeguard and promote the welfare of local children. For local arrangements to be effective, they should engage organisations and agencies that can work in a collaborative way to provide targeted support to children and families as appropriate. The safeguarding partners must set out in their published arrangements which organisations and agencies they will be working with to safeguard and promote the welfare of children.

3.12 **Schools, colleges and other educational providers**

All schools, colleges and other educational providers have duties in relation to safeguarding children and promoting their welfare.

It has been agreed by the MASA Executive that the education sector and the voluntary sector will be formally represented on the Partnership Board.

A Multiagency Safeguarding Arrangements (MASA) Executives Group comprising of Sandwell's Statutory Safeguarding Partners was formed to oversee the implementation of the LSCB to MASA transition project plan.

3.13 The document presented sets out:

- the multi-agency safeguarding arrangements for the Sandwell Children's Safeguarding Partnership.
- promotes the interdependence of organisations and agencies including the VCS in safeguarding and promoting the welfare of children and their families.
- how the Sandwell Children's Safeguarding Partnership will operate.
- what powers and functions it holds, its sub-structure, how decisions are made and,
- the procedures that are followed to ensure that it operates efficiently, effectively and is both transparent and accountable.
