Dear Councillor,

**Extraordinary Meeting of the Council on 6<sup>th</sup> December 2016:  
West Midlands Mayoral Combined Authority –  
Implementing the Devolution Agreement**

On Friday last week, I circulated a briefing note to support the above report on the Combined Authority which Council will consider tomorrow. My note contained three issues, Unanimous Voting, Mayoral WMCA Development Corporation and Finance.

I have today received an updated version of the WMCA (Functions and Amendment) Order 2016 which addresses some of the issues. Council will therefore be asked to provide its comments to Cabinet on the attached Order rather than the Order circulated with the original Council report.

To assist you, I have referred to the changes in the Order below and where appropriate, how they relate to my earlier briefing note:

- Page 2, Part 1 – General  
Section 1(2) now contains the 8<sup>th</sup> May 2017 as the date on which the Order comes in to effect. The date was previously blank
- Page 7, Part 4 – Mayoral Development Corporation  
In my note of last Friday I referred to ongoing discussions of an associated risk of Mayoral WMCA Development Corporations regarding the impact of Non-Domestic Rate Relief (NNDR) and Compulsory Purchase Orders. Section 12 of the amended Order provides greater clarity on the functions the Combined Authority will have and the requirement for prior consent to now be obtained from any constituent council that is affected.

**JAN BRITTON – CHIEF EXECUTIVE**

Sandwell Council House, PO Box 2374, OLDBURY, West Midlands B69 3DE

In effect, if Constituent Councils do not think at the point of creating a development corporation, that they are sufficiently safeguarded, they can withhold their consent to the establishment of a development corporation in their area and therefore a development corporation cannot be established in their area. With regard to NNDR, the Mayoral Development Corporation must first seek the approval of the Combined Authority before it is granted.

- Page 12, Part 9 – Funding  
The principles within Part 9 have not changed, however, various amendments have been made to the wording to provide greater clarity around reasonably incurred costs to better reflect the agreed position of council's contributions.

The position outlined in my earlier briefing note regarding the Finance Order remains unchanged.

- Pages 14 to 16, Part 12 – Amendment to the WMCA Order 2016  
Section 24 has been amended to include a detailed "Proceedings" section which clarifies the voting arrangements at the Mayoral Combined Authority and in particular unanimous voting, as detailed in my note to members last Friday.

The implication of this change is that the Mayor votes in all decisions, in line with the devolution deal, but cannot 'veto' the unanimous points unless the matter in question affects the Mayor's General Functions which are explicitly detailed in the Order. The opportunity for a 'veto' is therefore restricted in line with these specific Mayoral functions. It remains the case that in both situations that all seven Constituent votes would still be required for the decision to be approved.

Yours sincerely,

Jan Britton,  
Chief Executive.
