

The following issues were put forward as part of the public consultation on scrutiny work programmes and the Board is advised to utilise the prioritisation tool attached at appendix 4 to determine which issue it would like to place on its Work Programme for 2017/2018.

- Services/Support for Disabled People
- Care of the Elderly
- Quality of Mental Health Services
- Disabled Facilities Grant – commissioning services.

During 2017/2018 the Board, along with the former Housing Scrutiny Board, established a Joint Working Group to carry out a review of the Council's policies on aids and adaptations. As this review was not completed during 2016/2017, and crosses terms of reference of two scrutiny boards, the Budget and Corporate Scrutiny Management Board will need to determine which scrutiny board completes the review.
