2022 are approved as a correct record.

32/22

Additional Items of Business

A Member suggested a review of the current taxi licensing protests should be undertaken by the Board. The Senior Democratic Services Officer suggested that it should, instead, be a concern for the Licensing Committee to investigate before proceeding any further.

It was requested for the Senior Democratic Services Officer to investigate further.

33/22

2021/2022 Financial Outturn

The Head of Finance presented an overview of the 2021 to 2022 Financial Outturn for the Board.

The Board noted that the Council continued to see the impact of the Covid-19 pandemic with the continued reduction in income across many services including car parking and the residential education centre. There was a total overall underspend of £4.8m however, it was noted that the overall net directorate outturn variance excluding the Housing Revenue Account (HRA) increased the underspend to £7.925m which included reserve transfers.

It was noted that multiple Council directorates including Adult Social Care (ASC) and Regeneration and Growth had underspends.

A discussion ensued about whether the underspend could be used to help residents of Sandwell tackle the current cost of living crisis. The Head of Finance explained that due to inflation, it would be extremely unlikely that there would be an underspend for the period 2022 to 2023. It was noted that the Council was monitoring the financial position and preparing appropriate budgetary planning.

Members questioned how the re-uptake of staff after years of a reduced workforce, partly due to COVID-19, would impact the budget. The Head of Finance explained that many teams adapted to hybrid working and therefore many of the vacant posts were no longer required. It was also confirmed that salary budgets and staff pay awards were monitored in accordance with budgetary planning and were included in financial projections.

Adult Social Care

The Board sought clarification on why the underspend for Adult Social Care was so high. The Finance Business Partner for ASC confirmed a number of grants and efficiencies had been received and the following responses were highlighted:

- A £1.6m grant was obtained from the Better Care Fund. The Better Care Fund Pool Budget received additional contributions to the budget and reduced its overall expenditure. Therefore, the Council was able to request additional resources.
- A grant for the extremely vulnerable was obtained to help contact vulnerable people during the COVID pandemic.
- The NHS had funded patient discharges for the first four weeks of support for people moving from hospital into the social care system.
- A Domestic Abuse grant was obtained in line with additional statutory requirements. Therefore, funding responsibilities were already allocated.
- £900k was obtained from efficiencies made within services.
- A previous underspend of £1.8m was carried over from the previous year.

Due to the vast amount of grants currently available to the Council, Members requested a report at a future meeting which highlighted value of each fund and information on the applicable service area.

At this point in the meeting Councillor Bhullar left the meeting at 6.36p.m.

Children's Social Care

A lengthy discussion ensued regarding the highlighted overspend by Children's Services and the historical issues with overspends within the directorate.

The Finance Business Partner for Children's Services confirmed that there had been an increase in children requiring care within the Borough. In addition, there were longstanding issues locally and nationally regarding the recruitment and retention of Social Workers which had been a contributor to the overspends within the directorate. Additional funding had been supplied to the Sandwell Children's Trust to alleviate the budgetary pressures associated with COVID. The majority of the overspend against Children's

Services was due to the historical SEND Transport contract, which was not run by SCT.

A Member suggested SCT should prioritise early intervention of children to prevent children requiring care in the first place. This would hopefully reduce the need for foster carers and social workers in the longer term. It was stated that it may be a useful exercise to compare the Council's early intervention programmes with that of other Local Authorities.

Law and Governance

The Chair requested clarification on both the Law and Governance underspend and whether Section 106 agreements would be spent within the allocated timescales.

The Head of Finance explained that Council had received proceeds of crime income from a recent high-profile case which had been appropriately budgeted. However, it was noted that the aforementioned proceeds would need to be allocated to the directorates and parties involved.

In relation to the Section 106 agreements, it was stated that Council conducted rigorous monitoring of the agreements with updates being regularly reported to the Council's senior leadership team. The Chair confirmed that the Board would receive a report on Section 106 and Community Infrastructure Levy funding at a future meeting.

Housing

The Board expressed their concerns in relation to the current housing underspend. Although an underspend was reported, Members questioned why this was not used to address the current housing repair delays. The Head of Finance confirmed that the underspend would be added to the ring-fenced reserves for Housing to conduct the relevant repairs to the housing stock. A Member confirmed that the Safer Neighbourhoods and Active Communities Board would receive an update report on the timely repairs of Council housing.

A Member sought clarification on whether the Council had dedicated resources for Planning Enforcement. It was confirmed that a response would be provided in writing.

Resolved:-

- (1) that the Head of Finance investigate the viability of providing dedicated funding for planning enforcement;
- (2) that the Safer Neighbourhoods and Active Communities Scrutiny Board receive a report on the Council's housing repairs;
- (3) that a report be presented to a future meeting of the Board about the budget pressure in by Children's Services;
- (4) that a report be presented to a future meeting of the Board on the Council's grants and funds.

34/22

Energy Rebate payments update

The Service Manager for Revenues and Benefits was invited to address the Board in relation to the on-going Energy Rebate payment process.

The following updates were received by the Board:

- Over 90% of residents applying for the Energy Rebate via direct debit had received their payments; the majority being processed in the first month with almost 100,000 residents helped to date.
- There were issues with paying residents that had mismatched address and bank account data.
- Some residents did not pay via direct debit and therefore no direct debit details were available on the system for payments to be processed. This was the equivalent to over 60,000 residents however, those that missed the application deadline would instead receive £150 credit towards their next Council Tax bill.
- Over 5300 requests had been received from residents requesting physical cash payments.
- Some of the most deprived households would be provided with additional funds courtesy of the Council.
- Council staff gained experience and understanding of the service as a result of the scheme. This experience put the Council in a better place to deliver high quality customer service in future.

- Although unconfirmed, an additional rebate scheme was rumoured to be coming in the winter.

Members queried about the possible use of the existing system to automatically process the proposed second energy rebate scheme using existing resident information. The Service Manager for Revenues and Benefits confirmed that it would be possible to use the existing system however, further investigation was required and it would depend on the Government's eligibility criteria for future schemes.

At this point Councillor Shackleton left the meeting at 7.22p.m.

The Board raised concerns about the number of residents still not receiving payments. Several anecdotes were provided by Members to better explain some of their concerns. The Service Manager for Revenues and Benefits confirmed that payments were still being processed over the next few months, alongside the implementation of new software. The Board were reassured that any further complaints can be escalated by Members to the relevant officers for investigation.

Resolved that the update on the Energy Rebate payments update be noted.

35/22

Draft Scrutiny Annual Report 2021/22

The Chair of the Board outlined the draft Scrutiny Annual Report for 2021 to 2022 and requested any amended or comments in relation to the report.

It was suggested that the next Scrutiny Annual Report for 2022 to 2023 incorporate digitalisation tools such as video or infographics. There was a consensus that this method might be a better way to show the hard work carried out by each of the Scrutiny Boards.

Resolved:

- (1) that, the Scrutiny Annual Report for 2021 to 2022 be approved for submission to Council.

Meeting ended at 7.34pm.

Report to Budget and Corporate Scrutiny Management Board

14 September 2022

Subject:	Scrutiny Review Update
Director:	Surjit Tour Director of Law and Governance & Monitoring Officer
Contact Officer:	Suky Suthi-Nagra Democratic Services Manager and Statutory Scrutiny Officer

1 Recommendations

- 1.1 That the work undertaken to date on the scrutiny review be noted.
- 1.2 That the Council be recommended to approve the following improvements, that have been identified as part of the scrutiny review 2022:-
 - (a) the appointment of all scrutiny vice chairs to the Budget and Corporate Scrutiny Management Board, to make a total of 10 members on the Board;
 - (b) subject to (a) above the appointment of a vice chair to the Budget and Corporate Scrutiny Management Board from amongst the new Board membership;
 - (c) the role descriptions for Chairs, Vice Chairs, Overview and Scrutiny Elected Members and Co-opted members as set out in Appendix 1;

- (d) the following protocols, as set out in Appendix 2, in order to support and promote healthy working relations:-
- Scrutiny Chairs, Vice Chairs and Scrutiny Elected Members with the Executive; and
 - Scrutiny Chairs, Vice Chairs and Scrutiny Members with Officers.
- (e) Authorisation of the Director – Law and Governance and Monitoring Officer to make all necessary consequential changes to the Constitution to give effect to the approved changes.

- 1.3 That the Board approves the Scrutiny Improvement Plan, as set out in Appendix 3 and authorises the Director of Law and Governance and Monitoring Officer and the Statutory Scrutiny Officer to develop communication and engagement protocols/plans as set out in the Plan and provide regular updates to the Board.
- 1.4 That the Scrutiny Handbook, as set out in Appendix 4, be noted and the Director of Law and Governance and Monitoring Officer and the Statutory Scrutiny Officer be authorised to develop further guidance tools and training for both members and officers in order to promote the scrutiny function.
- 1.5 That the Director of Law and Governance and Monitoring Officer and the Statutory Scrutiny Officer, in consultation with the Chair of the Budget and Corporate Scrutiny Management Board, be authorised to continue to review the overview and scrutiny arrangements in Sandwell.

2 Reasons for Recommendations

- 2.1 The Council commenced a review of the Council's governance arrangements following the Grant Thornton Governance Review, LGA Corporate Peer Review and CIPFA Review. These reviews identified a number of key governance issues that needed to be addressed.

- 2.2 The reviews specifically identified the need to address underlying constitutional and procedural deficiencies that directly and indirectly undermine or hinder the Council's governance arrangements, decision-making ability and key relationships.
- 2.3. A comprehensive review of the Council's overview and scrutiny arrangements has been ongoing to ensure it remains fit for purpose and aligned to the desired outcomes of Elected Members and the Council.
- 2.4 The review has sought to embed a strong and positive culture amongst Elected Members in relation to the real opportunities that effective overview and scrutiny provides.

Context and Key Issues

- 2.5 Nationally, it is acknowledged that a number of authorities face challenges with their scrutiny function, for e.g. lack of engagement (across the board), making an impact or adding value.
- 2.6 Sandwell Council has not undertaken a comprehensive review of its overview and scrutiny arrangements for a number of years. Good practice advocates a review should be undertaken at reasonable intervals to ensure the overview and scrutiny arrangements remain fit for purpose and aligned to the desired outcomes of Elected Members and the Council.
- 2.7 The Centre for Governance and Scrutiny (CfGS) has identified four key principles that should underpin the work of the Overview & Scrutiny Committee at all times. It should:
- provide a culture of 'critical friend' challenge to decision makers;
 - enable the voice and concerns of the public and its communities to be heard;
 - conduct the scrutiny function by independent-minded members who will lead and own the process;
 - drive improvements on services.

- 2.8 Statutory Guidance was released in May 2019 by the former Ministry of Housing, Communities and Local Government. This guidance placed a strong emphasis on scrutiny/executive relationship and early and regular engagement between the Cabinet and Scrutiny which is critical to scrutiny's success as well approaches on what effective scrutiny looks like and how to conduct it.
- 2.9 In undertaking the review, consideration has been given to the statutory guidance and examined how the Council's overview and scrutiny arrangements, including scrutiny outcomes, can be improved so as to reflect recognised good practice. Importantly, the review has sought to embed a strong and positive culture amongst Elected Members in relation to the real opportunities that effective overview and scrutiny provides.
- 2.10 To support the review, the CfGS consulted stakeholders in interview sessions, carried out a desktop exercise and led on an Elected Members survey. In addition to this, officers conducted wider engagement with Elected Members through three bespoke engagement sessions that explored how the Council's overview and scrutiny function and arrangements could be enhanced and the opportunities of scrutiny maximised.
- 2.11 The review collected insight and evidence gathered through engagement sessions, desktop studies, member surveys, analysis against statutory guidance and explored good practice to make evidence-based recommendations.
- 2.12 Engagement with members had revealed that culture was the single most important factor that would determine whether the Council would be able to deliver an excellent overview and scrutiny function that met the needs and expectations of the Council and Elected Members. Accordingly, promoting and encouraging a healthy culture that empowers Elected Members, promotes agile working, new ways of working and innovation is a critical driver for success.
- 2.13 Working with the Chair of the Budget and Corporate Scrutiny Management Board, a number of improvements have been embedded into the scrutiny process to strengthen the Council's overview and scrutiny function as follows:-

- **Strengthen the working relationship between Cabinet and Scrutiny** by having regular meetings between scrutiny and cabinet members to look at shaping strategy and policy/decisions as part of pre-decision scrutiny as opposed to operational detail. This way scrutiny can make an impact and be valued for its work. Protocols for scrutiny and executive and scrutiny and officers' have been developed to be clear on roles and expectations (as set out in Appendix 2);
- **build parity of esteem with the Executive.** Scrutiny needs to be recognised for the value it brings. Historically recommendations by scrutiny have not been responded to by the Cabinet, steps are being taken to address this by regularly reporting recommendations to Cabinet and Leadership Team to ensure a response is provided within the statutory timescale;
- **Enable scrutiny members to feel confident in their scrutiny roles.** Both internal and external training on what makes good scrutiny have been conducted and will continue to build on learning and development for members by identifying key skills required, producing online training and a scrutiny handbook for members to utilise throughout the year and also bring in external support via the Centre for Governance and Scrutiny to conduct coaching and mentoring for scrutiny chairs to build confidence for them to effectively carry out their role;
- **Having a more focussed and exciting work programme.** The views of members of the public, councillors and MPs have been sought this year as part of the work programme on issues of concern and aligning them to the objectives of the Corporate Plan and Vision 2030. The aim is for the work programme to add value with clear objectives, look at policy development, performance monitoring, hold to account and support effective decision-making. The work programme has to be flexible but also interesting so that all members engage;
- **Performance Framework.** Historically there have been issues with member attendance at scrutiny boards, Scrutiny Chairs are therefore closely monitoring attendance. Job roles for scrutiny members and a performance framework has been developed (as

set out in Appendix 1) so that all members of the board are clear about their role on a scrutiny board, i.e. attendance at meetings, engaging in discussion, asking meaningful questions, etc;

- **Regular meetings to develop and nurture strong, healthy working relationships with members and officers.** The Chairs of scrutiny boards are having regular agenda setting meetings with Directors and officers to be clear what the expectation is on reports coming to Scrutiny to enable a debate and not just information sharing. Scrutiny Board chairs are collectively meeting more regularly, whether it is a pre-meeting or prior to Cabinet to agree lines of questioning in advance;
- **Regular meetings take place with the Chair of Budget and Corporate Scrutiny Management Board, the Statutory Scrutiny Officer and Monitoring Officer** to discuss the scrutiny review, improvements to scrutiny including good practice from other authorities that can be embedded in Sandwell and any training that could be useful for members;
- **Elevating the status of scrutiny** at Council meetings by Chairs reporting on what they are doing at their scrutiny boards and the impact this has had;
- Having dedicated scrutiny sessions to look at how we are progressing the outcomes of the Improvement Plan;
- reviewing how the budget is scrutinised to ensure it is done effectively.

2.14 To support the improvements and good practices that continue to be made and adopted by Scrutiny Boards over the past couple of years, a Scrutiny Improvement Plan has been developed (as set out in Appendix 4) in consultation with the Chair of the Budget and Corporate Scrutiny Management Board. The Scrutiny Improvement Plan sets out a framework for embedding positive working relationships between Scrutiny Boards and the Executive, and Scrutiny Boards and officers. The changes will elevate the status of scrutiny by promoting its importance and ensuring parity of esteem with the Executive, and ensuring Members continue to engage in scrutiny through more strategic and dynamic work programmes that are outcome focussed.

It is also proposed to amend the membership of the Budget and Corporate Scrutiny Management Board, which currently consists of all scrutiny chairs and 1 opposition member, to also now include all scrutiny vice chairs and to also appoint a Vice Chair on the Board (which is consistent with other scrutiny boards and will result in the total membership of the Board to 10 members). The additional members on the Board will enable a more rich discussion and promotes and facilitates the desired culture, relationships and work programme that scrutiny is aiming to achieve.

2.15 The Centre for Governance and Scrutiny (CfGS) and the Local Government Association (LGA) continue to be involved in the Council’s overview and scrutiny improvement plan and further reviews will continue to be undertaken to ensure overview and scrutiny continues to add value and is valued in Sandwell.

3 How does this deliver objectives of the Corporate Plan?

		Effective governance arrangements support the delivery of all corporate objectives.
		
		

4 Objectives

The aim of the scrutiny review is to:-

- know the purpose of scrutiny;
- detail what good scrutiny looks like;
- how to conduct it;
- the benefits scrutiny can bring;
- raise the profile of effective scrutiny in Sandwell;

- develop a stronger understanding of roles and responsibilities - what does Sandwell see as good scrutiny? Is it policy development or performance monitoring?
- appreciation and understanding of the value that scrutiny brings – communication;
- actively engaging and encouraging participation of members, officers, partners and the public so as to address the local needs and help to drive improvement in public services;
- understanding of how scrutiny resources are used – and how effectively;
- ensure scrutiny make good quality recommendations which are responded to by Executive and the impact is measured and felt;
- ensuring that there is a strong cultural commitment which enables scrutiny to succeed and flourish;
- identifying any gaps in skills and addressing these as appropriate.

Risk:	There are no direct risk implications arising from this report.
Equality:	There are no direct equality implications arising from this report.
Health and Wellbeing:	There are no direct implications for health and wellbeing from this report.
Social Value	Social Value will be a key theme of the Improvement Plan with engagement and participation.

Scrutiny and Executive Protocol

Why do we need a protocol?

- 🔍 The need to address the culture of the organisation in relation to our understanding and engagement in the scrutiny process was identified in the 2019 Review of Scrutiny in Sandwell.
- 🔍 Government Guidance highlights a number of ways to improve the scrutiny function. During the review, Members recommended a protocol for Scrutiny and the Executive to address the following points highlighted:
 - 🔍 Ensuring early and regular engagement between the Executive and Scrutiny
 - 🔍 Managing disagreement
 - 🔍 Identifying a clear role and focus
 - 🔍 Being clear about Scrutiny's role
 - 🔍 Who to speak to
 - 🔍 Developing recommendations
- 🔍 Centre for Governance & Scrutiny guide to 'Engaging with council officers and the executive' (June 2014) highlights that the Local Government Act 2000 (at s9F onwards) says that Cabinet members and officers of the council must:
 - 🔍 Attend meetings, where required to do so. The word "require" is not defined in the Act but it can be assumed that it does not confer a choice as to whether or not to attend;
 - 🔍 Provide information, where required to do so. Again, this must be complied with. The usual exclusions apply for confidential and exempt information, although councillors are entitled to see certain kinds of information which cannot be published;
 - 🔍 Respond to recommendations. Scrutiny committees may set out the way in which they expect their recommendations to be responded to. This may include the requirement to provide reasons when a recommendation is rejected.
- 🔍 The protocol is not intended to change the respective constitutional positions, roles or responsibilities of either Overview and Scrutiny function or the Executive. It is intended to clarify relationships between the two, to create a culture for change, to develop agile and flexible working and to help ensure the smooth conduct of Overview and Scrutiny business and encourage effective communication between Overview and Scrutiny and the Executive.
- 🔍 The Scrutiny and Executive protocol is a guide for elected Members and other parties outlining the interface between Scrutiny and the

Executive and the procedural elements that underpin the relationship.

- 🔍 In addition to the 'Scrutiny and Executive Protocol' other protocols, role descriptions and agile ways of working have been developed to support members to develop the scrutiny function and create a culture for change to deliver the scrutiny work programme.
- 🔍 Further information on Scrutiny will be provided in the Scrutiny Handbook. The protocol draws on the relevant sections of the Constitution of Sandwell Council, which can be found on the Council's website at www.sandwell.gov.uk/.
- 🔍 Monitoring and Review of Protocol: The protocol shall be monitored annually at the joint informal meetings between the Overview and Scrutiny Chairs and the Executive

Introduction

- 🔍 This Protocol applies to all Members of the Scrutiny Panels any Member who may sit on a scrutiny panel and all Members of the Executive (comprising the Leader and the various Cabinet Members). It provides guidance on the way in which both types of Members interact to enable the Authority to carry out the Overview and Scrutiny function. The Protocol also outlines the framework and procedures underpinning the operation of scrutiny.

Objectives

- 🔍 The objectives of the protocol align to the main findings of the Review of Scrutiny 2019 with the Government guidelines:
 - 🔍 **Roles:** To enable Scrutiny Members, Officers and Cabinet Members to fully understand their powers, roles and responsibilities in relation to the Overview and Scrutiny function, role descriptions have been developed, so as to maximise their personal effectiveness.

Holding the Executive to Account

- 🔍 One of the underpinning principles of Overview and Scrutiny is the ability of non-Executive Members to hold the Executive to account. A key method of ensuring accountability is through critically and routinely considering the performance and decisions taken by the Executive or may question decisions which the Executive is proposing to take, as set out in the Forward Plan.
- 🔍 The Executive will be required to consider any recommendations or views expressed by the Scrutiny Panel relating to the development of the Council's budget or policy framework.

Training and Development

- 🔍 Executive and Scrutiny Members will engage in the Member Development Programme.
- 🔍 Chairs of Scrutiny will identify training needs for scrutiny members.
- 🔍 The Vice-Chair of 2030 will identify areas for awareness and training and liaise with the Member Development Programme Lead.

Scrutiny and Chief Officer Protocol

Why do we need a protocol?

- 🔍 The need to address the culture of the organisation in relation to our understanding and engagement in the scrutiny process was identified in the 2019 Review of Scrutiny in Sandwell.
- 🔍 Government Guidance highlights a number of ways to improve the scrutiny function. During the review, Members recommended a protocol for Chief Officers and Scrutiny to address the following points highlighted:
 - 🔍 Providing the necessary support
 - 🔍 Identifying a clear role and focus
 - 🔍 Ensuring impartial advice from officers
 - 🔍 Being clear about Scrutiny's role
 - 🔍 Who to speak to
 - 🔍 How to plan (evidence sessions)
 - 🔍 Developing recommendations
- 🔍 Centre for Public Scrutiny guide to 'Engaging with council officers and the executive' (June 2014) highlights that the Local Government Act 2000 (at s9F onwards) says that Cabinet members and officers of the council must:
 - 🔍 Attend meetings, where required to do so. The word "require" is not defined in the Act but it can be assumed that it does not confer a choice as to whether or not to attend;
 - 🔍 Provide information, where required to do so. Again, this must be complied with. The usual exclusions apply for confidential and exempt information, although councillors are entitled to see certain kinds of information which cannot be published;
 - 🔍 Respond to recommendations. Scrutiny committees may set out the way in which they expect their recommendations to be responded to. This may include the requirement to provide reasons when a recommendation is rejected.
- 🔍 The protocol is intended to strengthen the scrutiny arrangements for scrutiny panels and review work, and to provide more support for the Scrutiny Members.
- 🔍 The Scrutiny and Chief Officer protocol is a guide for elected members and officers outlining the interface between Scrutiny and Chief Officers and the procedural elements that underpin the relationship.

- 🔍 Monitoring and Review of Protocol: The protocol shall be monitored annually at the joint informal meetings between the Overview and Scrutiny Chairs and the Executive.

Introduction

- 🔍 This protocol applies to all Members and Officers who report to and support the scrutiny arrangements. It provides guidance on how Members and Officers interact to enable the Authority to carry out the Overview and Scrutiny function and provides guidance on the role of officers who support this process.

Objectives

- 🔍 The objective of the protocol is to align to the findings of the Scrutiny Review 2019 and to provide support to Members when carrying out the Overview and scrutiny function.

Attendance by Officers at Scrutiny Panel meetings

- 🔍 Meetings of the Scrutiny Panel will normally be attended by a Chief Officer with responsibility for any agenda item under discussion. The role of the Chief Officer will be to assist the Panel through the provision of professional advice and to ensure access to relevant information and personnel. Chief Officers will provide reports/presentations to Scrutiny in accordance with the Access to Information Rules to enable scrutiny to prepare relevant questions.
- 🔍 The attendance of other relevant officers at either Scrutiny Committee or Scrutiny Panel meetings will be at the request of the Chairman or lead member, who will have regard to the appropriate level of seniority of attendees. In general, the relevant officer should not be below the level of Director / Head of Service.
- 🔍 An officer in receipt of a request to attend a Scrutiny meeting should make reasonable efforts to do so. Where an officer is unable to attend on a particular date he/she should notify the Chairman or lead member as soon as possible, in order to agree the most appropriate course of action, which may include the attendance of an alternative representative.
- 🔍 Officers in attendance at Scrutiny meetings should be prepared to assist the Cabinet Member in the provision of information to the Committee in response to any question raised.
- 🔍 Relevant Officers will normally be expected to attend any meeting of the Scrutiny Committee at which it is intended to consider a Call-In request in relation to his/her service.

Evidence provided by Officers at Scrutiny Review meetings

-  It is recognised that senior officers have a valuable role to play in the scrutiny process in terms of the provision of factual evidence for a review. The lead member will notify the relevant Chief officer who will then contribute to the review in terms of supplying information and helping to identify suitable witnesses.
-  The Chief Officer will be given the opportunity to comment and/or make recommendations on a completed draft report in terms of any factual errors. The decision as to whether to incorporate any suggested amendments will remain with the Scrutiny Panel and the lead member.
-  The responsibility for the implementation of scrutiny recommendations that have been approved by the Executive will rest with the relevant Chief Officer who will also be responsible for providing regular updates on progress to the Scrutiny Committee.

Scrutiny Handbook

What is **Scrutiny**?

How does it work at Sandwell MBC?

Good governance and scrutiny is at the heart of what we do.

Overview and scrutiny helps to improve the way the Council works and to make sure its decisions and policies are right for local people.

What is Scrutiny?

Scrutiny Boards fulfil the statutory responsibility placed on local authorities to review and scrutinise their decision making – it allows for cross party engagement and provides an opportunity for councillors and members of the public to improve the quality and delivery of services as well as strengthening the decision making process. Each year the Council appoints members to a Scrutiny Management Board and four thematic Scrutiny Boards.

Each Board has its own area of responsibility which are themed around the Council directorates and aligned to deliver the Sandwell Vision 2030 ambitions and the Councils [Corporate Plan](#)

Scrutiny is a key aspect of this Council's governance framework and is integral to decision making.

The Scrutiny function should:-

- Give power to local people to work with local representatives and challenge the council and other agencies to deal with concerns
- Make sure that the views of local people are heard by the local authority
- Enable councillors as community champions to raise issues for scrutiny
- Create change and improve things so that local communities can see clear results

What is Scrutiny?

The Scrutiny review process determines key issues and objectives, identifies key stakeholders and decides what evidence needs to be gathered and how. Boards can gather evidence in the following ways:

- Formal meetings to consider written reports or presentations.
- Working Groups.
- Site visits to see services/facilities in action.
- Speaking to front line staff and service users. Surveys and questionnaires.
- Calls for Evidence to the public.
- Literature reviews and desktop analysis.
- Hearing from other organisations such as the Police, NHS, charities and community organisations – in short, anyone with expertise.

Scrutiny Boards also have 'Call-In' powers to scrutinise Cabinet decisions before they are implemented.

Call-in provides an opportunity to ensure that the Council adheres to the principles of good decision-making and allows Scrutiny Boards to consider whether the Cabinet should be asked to review its decision.

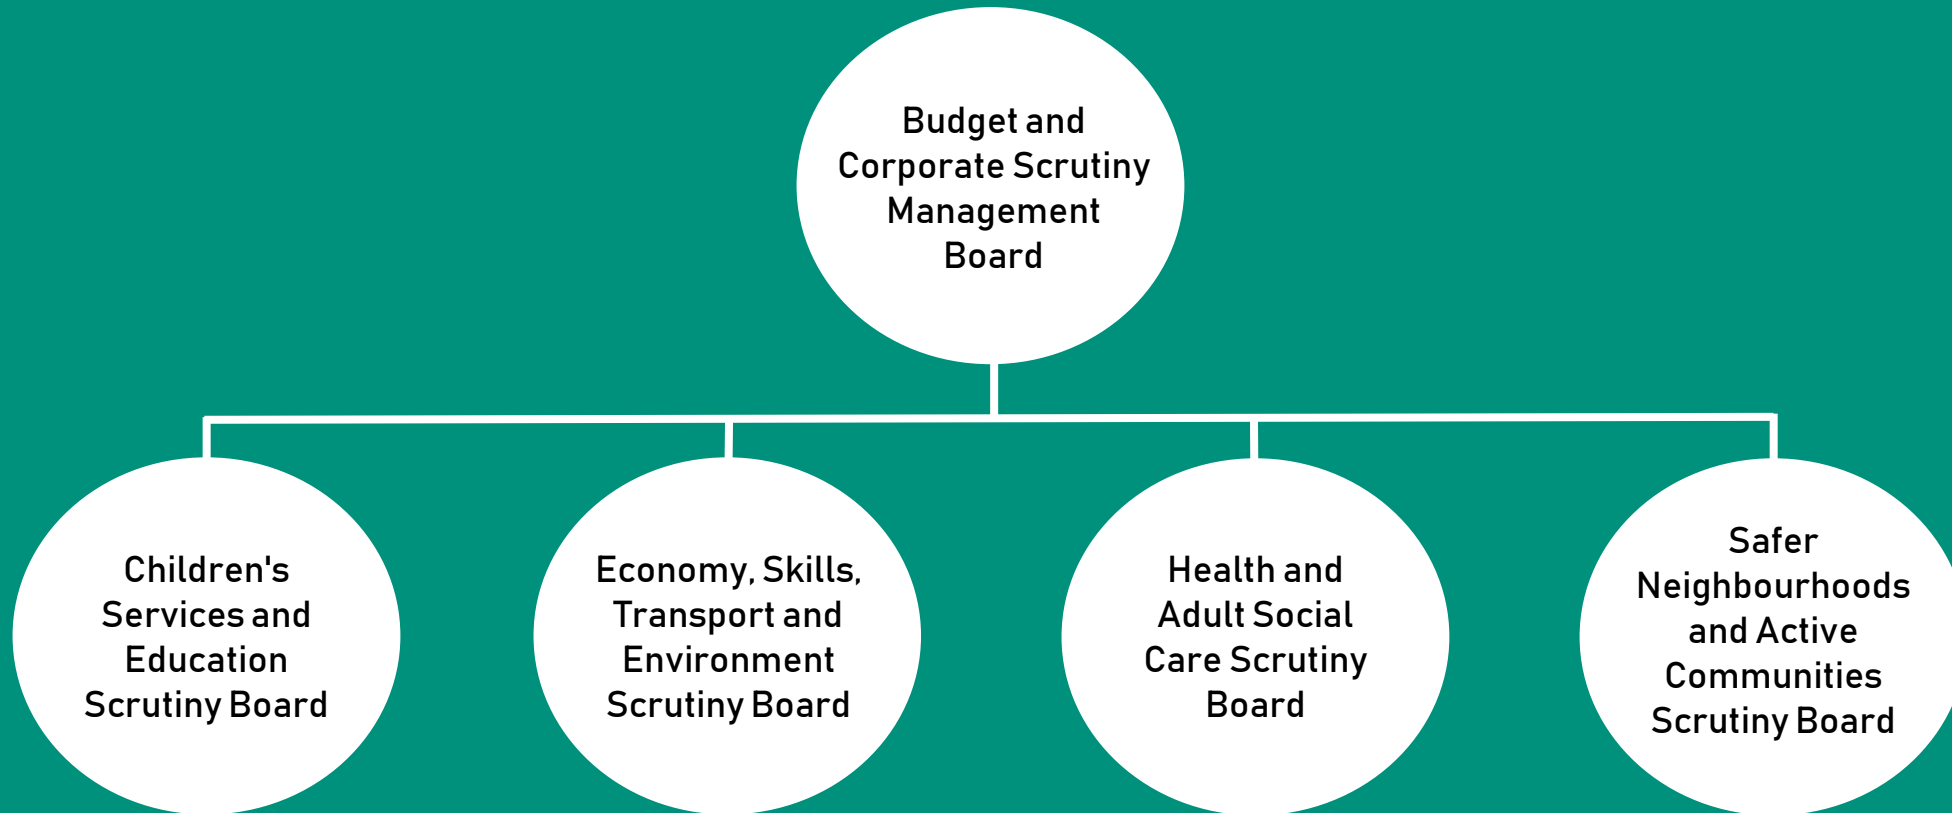

After the Cabinet has announced its intention to make a decision, members have 5 working days to consider that decision. If members feel that the decision is questionable, they can lodge a request to 'call in' that decision. At least six members are required for a call in and the reasons must be valid based on the Council's parameters. The call in is heard at a meeting of the relevant Scrutiny Board. Until the matter has been resolved, the decision is put on hold. The Board will then provide a report to the Cabinet and detail any recommendation for the Cabinet to consider.

The Cabinet will then consider any recommendations and decide whether or not to change its original decision.

Sandwell Scrutiny Boards

04.

Page 73

The Budget and Corporate Scrutiny Management Board consists of a Chair and the 4 Chairs of the thematic Boards. Each Board is made up of 11 non-executive members. Both Children's Services and Education and Safer Neighbourhoods and Active Communities also include co-opted members who serve on the Boards alongside elected members. You can see more about the Scrutiny Boards membership and activity [here](#).

What does **good** Scrutiny look like?

05.

Page 14

Effective scrutiny makes a positive impact on the lives of local people and supports the Council in meeting its ambitions. It is pivotal for members to embrace a culture that welcomes challenge and should actively promote the status, credibility and benefits of scrutiny. Good scrutiny is:

Constructive – Scrutiny shines a spotlight on decision making by acting as a ‘critical friend’ to improve the transparency and accountability of the executive and Council. This check and balance role ensures the right decisions are made for the citizens of Sandwell and aligns with the Council’s priorities.

Engaging – Involving a range of people in democratic debate to amplify the voice of the public and focus on issues of direct relevance to local people.

Adds Value – Utilising the unique perspective, expertise and skills of scrutiny members to challenge accepted ways of doing things and act as a champion for developing a culture of improvement in the local area.

The impact scrutiny has can be measured in two ways:

Outcomes – what stakeholders experience as a result of the review, for example if the local community recognises an improvement. The council and its partners could also be stakeholders, for example where scrutiny recommendations relate to internal processes.

Outputs – quantitative expressions of the activities being reviewed, for example ‘waste bin collections have increased to 10,000 every week’. These can be expressed in financial terms to show return on investment.

Elective Home Education Working Group – Improving support for families:

Children’s Services and Education Scrutiny Board received an update which highlighted that there had been an increase in numbers of elective home education cases and it was questioned why parents were choosing to home educate and whether current support provision was sufficient.

The Board agreed to establish a working group to receive further analysis of data consider the range of ways to carry out education out of the school system and to hear the child’s voice about home education.

The working group has met four times to gather evidence through a range of mechanisms, including data analysis, surveys and focus group with parents and EHE advisory teachers.

There are several areas of concern emerging from the evidence gathered so far that require further investigation and that will inform recommendations to Cabinet in the spring 2021. Further sessions are planned January – March 2021, including a focus group with teachers and head teachers.

The Children’s Services and Education Board has received update reports from the working group and invited the DfE Regional Advisor to provide an update relating to the Select Committee Inquiry into Elective Home Education which commenced in October 2020. It is anticipated that the working group evidence will contribute to the Select Committee work in 2021

Member Led Scrutiny at Sandwell

07.

Page 96
Scrutiny Boards are expected to make a positive impact by supporting the development of policy, monitoring performance and making important recommendations to support improvement. Scrutiny Boards create work programmes of topics they wish to review. Topics can come from all sorts of sources...but **members** make the final decision!

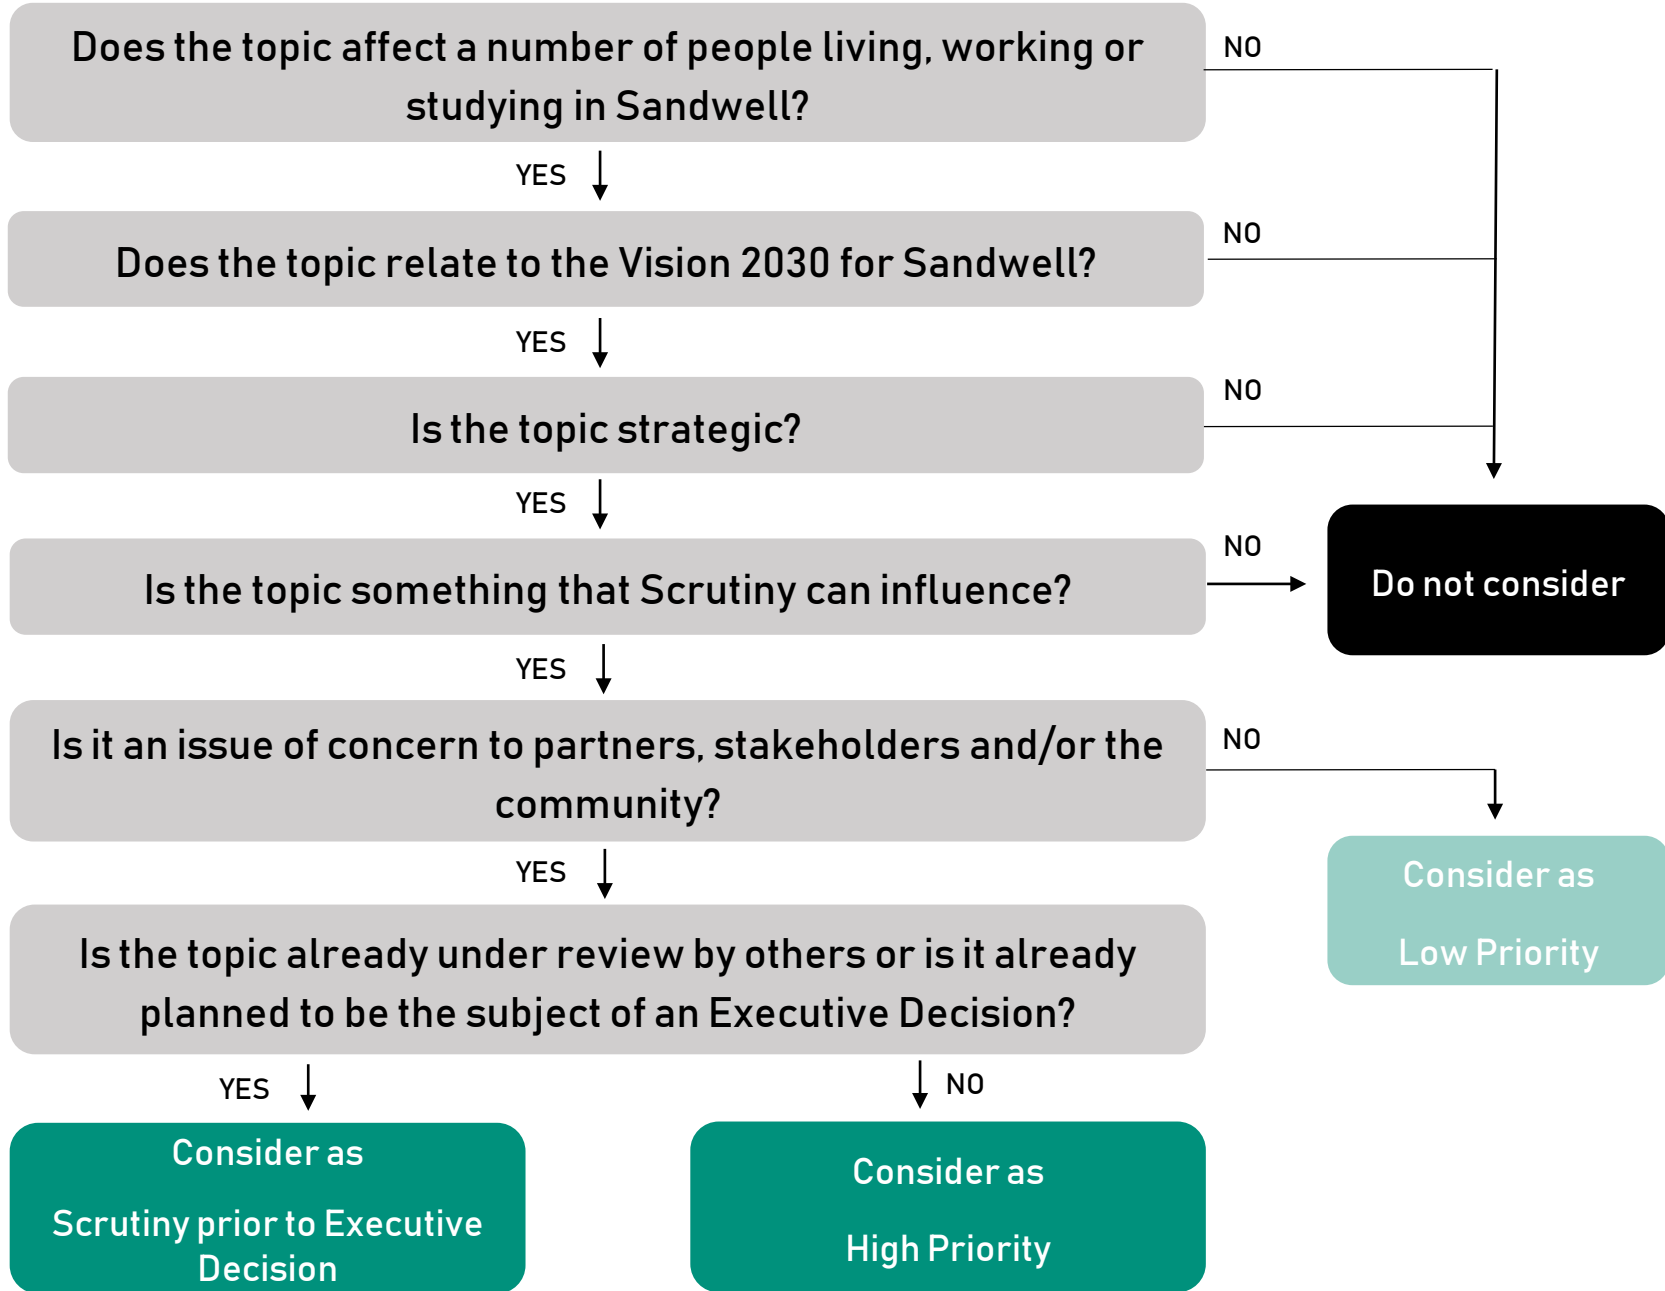

How do you decide what goes on a work programme? Consider the below criteria:

- Issues identified by members as a key issue for the public
- Poor performing service (evidenced by performance data)
- High level of user / general public dissatisfaction with service (surveys / complaints)
- Public interest issue covered in local media
- High level of budgetary commitment to the service / policy area
- Pattern of budgetary overspends
- Council corporate priority area
- Central government policy area
- Issues raised by external audit management letters / external audit reports
- New government guidance or legislation
- Key reports or new evidence provided by external organisations on a key issue

Think Strategically! Scrutiny boards should not focus on individual or operational concerns which are not of wider community significance. These matters should be pursued through the appropriate service area or partner organisation.

Use this tool to help prioritise your work programmes and keep them focussed

Making sure scrutiny adds value

09.

Page 78

The purpose of scrutiny is ultimately to improve the lives of local people through improved public services. It is important to be able to demonstrate that scrutiny work adds value and makes a difference to local people.

There are several ways to ensure that Scrutiny adds value. Proactive scrutiny councillors should:

- Participate constructively in the activities of the committee.
- Monitor the council's decision-making process.
- Investigate the basis on which major decisions are taken and ensure they are consistent with council policy.
- Monitor the effect of national legislation on the council.
- Hold the Cabinet and officers to account in respect of their actions in carrying out council policy.
- Monitor the council's performance, jointly, where appropriate, with the cabinet member.
- Investigate the quality of services provided.
- Participate in reviews in carrying out existing policies and the development of new policies by the council through the scrutiny arrangements available and through group consultation mechanisms.
- Participate constructively in any short-life task groups or spotlight reviews agreed by the committee.

Remember: Scrutiny at Sandwell is member lead, speak to the Chair of the Scrutiny Board or contact Democratic Services if there is something you want to add to the work programme

Key Terms and Questions to Consider

Questions to consider:

- How does x fit with our existing plans/budget priorities?
- How well do we compare with others (local authorities or other agencies)?
- What needs to be done to achieve target x?
- Are there any legislative requirements in the policy? If so what are they? How have they been met?
- How does x help the Council deliver its strategic priorities?
- How have local people and/or service users and partners determined the content of the policy / strategy?
- How will Council resources and those of local people and partners affect x?

Work Programming:	Work programming is the planning stage of scrutiny, where subjects for further investigation are identified and prioritised to be considered by the Scrutiny Board throughout the municipal year.
Recommendations:	Scrutiny boards do not make decisions...but they make recommendations. The Executive will consider the recommendations made by Scrutiny Boards and decide whether or not to make changes to their decision.
Call-in:	Scrutiny Members can 'call-in' Cabinet Executive decisions which have been made but not yet implemented. They can ask for further information about a decision that has been made and recommend that the Cabinet re-considers its decision.
Working Group:	If required, separate 'working' groups can be established as part of a Scrutiny Board to look at 'one-off' pieces of work. Working groups do not have to be politically proportionate and work on a task and finish basis. Any non-executive Member can be on a working group

Report to Budget and Corporate Scrutiny Management Board

14 September 2022

Subject:	Improvement Plan Progress
Director:	Managing Director Kim Bromley-Derry
Contact Officer:	Strategic Lead – Service Improvement Kate Ashley Kate1_ashley@sandwell.gov.uk Senior Lead Officer – Service Improvement Rebecca Jenkins Rebecca_jenkins@sandwell.gov.uk

1. Recommendations

- 1.1. That the Board considers and comments upon the progress of the Improvement Plan up to 4 August 2022
- 1.2. That any recommendations / comments are reported to Cabinet at their meeting on 28 September for their consideration
- 1.3. That the Board considers any additional areas of focus for its work plan

2. Reasons for Recommendations

- 2.1 This report provides a quarterly update on progress against the Improvement Plan agreed by Council on 7 June 2022. The Improvement Plan incorporates all recommendations from the Grant Thornton Governance Review, the LGA Corporate Peer Challenge and the CIPFA Financial Management Review, as well as the Statutory Directions from the Secretary of State for Levelling Up, Housing and Communities.

- 2.2 As part of the Governance and assurance arrangements for the Improvement Plan, Audit and Risk Assurance Committee and Budget and Corporate Scrutiny Management Board will review progress of the Improvement Plan and utilise the plan for work programming purposes. Both Committees are due to consider progress at their meetings in September. Any recommendations or comments Budget and Corporate Scrutiny Management Board wish to make to Cabinet can be presented for Cabinet’s consideration on 28 September.
- 2.3 Scrutiny’s consideration of progress of the Improvement Plan and scrutiny of specific areas within the plan contributes to creating an effective scrutiny function.

3. How does this deliver objectives of the Corporate Plan?

3.1 Sandwell Council’s Improvement Plan focuses on the governance arrangements of the council and areas of improvement across the organisation. The underpinning objective of the Improvement Plan is to ensure that the council is able to deliver on the aims and priorities as set out in the Corporate Plan. The deliverables set out in this Improvement Plan will achieve long-term sustainable improvements in how the council operates and is able to make effective decisions focused on improving outcomes for residents and experiences of service users. Therefore, this impacts on the council’s ability to deliver all the objectives in the Corporate Plan.

	Best start in life for children and young people
	People live well and age well
	Strong resilient communities
	Quality homes in thriving neighbourhoods
	A strong and inclusive economy

4 Context and Key Issues

4.1 Background

- 4.1.1 The council's external auditors Grant Thornton conducted a Value for Money Review into the council's governance arrangements over the period August to October 2021 and reported their findings of this review to Full Council in January 2022. In response, Council approved a Governance Improvement Plan in January 2022 to address the recommendations made by Grant Thornton and the proposed reporting mechanisms to ensure progress is managed effectively.
- 4.1.2 Since the approval of the Governance Improvement Plan findings were received from the CIPFA financial management review, LGA Corporate Peer Challenge along with the Statutory Directions from the Secretary of State for Levelling Up, Housing and Communities.
- 4.1.3 A single Improvement Plan was agreed by Council on 7 June 2022 which addresses the recommendations from all the external reviews and the Statutory Directions. The Improvement Plan provides the organisation with a clear direction for sustainable improvement under six thematic headings. The single Improvement Plan has superseded the Governance Improvement Plan.
- 4.1.4 To ensure that senior officers and members have oversight of delivery against the Improvement Plan, Council approved that progress will be monitored by Leadership Team monthly and reported to Cabinet quarterly. This will continue until all actions have been completed, or changes have been embedded into business as usual.
- 4.1.5 This report is the first quarterly update to scrutiny on overall progress of the Improvement Plan.

4.2 Specific Recommendations from External Reviews relating to Scrutiny

4.2.1 The Statutory Directions set out that the Council must secure improvement in relation to the proper functioning of the scrutiny and associated audit functions.

4.2.2 In the Value for Money Governance Review, Grant Thornton set out specific recommendations relating to scrutiny as follows:

- **Key Recommendation 7:** Members in key statutory roles, in particular in relation to Cabinet, scrutiny, standards and audit, need to be provided with effective development training and support. The Member development programme should be reviewed to ensure corporate governance forms part of the training for members with governance roles
- **Improvement Recommendation 14:** Officer and Member Relationships – the forward plan of the Cabinet should be shared with the Audit Committee and Scrutiny Board to help structure their agenda planning
- **Improvement Recommendation 12:** Officer and Member Relationships – There is a need to ensure that members of scrutiny and audit committees are aware of their governance roles including how to interrogate reports and the right questions

4.2.3 The CIPFA Financial Management Review and LGA Corporate Peer Challenge did not make any direct recommendations around the role and function of scrutiny. However, the LGA Corporate Peer Challenge placed emphasis on progress they observed in the way scrutiny operates and cited examples of effective scrutiny work around Serco, and the impact of the pandemic on children in the Borough.

4.3 Scrutiny Work Programme

4.3.1 Budget & Corporate Scrutiny Management Board have included regular reports on overall progress of the Improvement Plan on their work programme.

Where this review has identified that funding should come to an end, communication with affected organisations has commenced. Plans are being developed to meet the savings identified within the council's budget for 2023/24.

4.5 Statutory Recommendations

4.5.1 The Value for Money Governance Review made three statutory recommendations that the council has a legal obligation to respond to. These recommendations are incorporated into the single Improvement Plan, and are embedded across each of the six themes.

4.5.2 To provide an overview of progress against these three specific recommendations, Appendix 3 extracts the key actions that respond to each of the recommendations and they are summarised below.

4.6 Statutory Recommendation 1 - It is imperative that senior officers and senior members take effective corporate grip of long-standing service issues highlighted by the findings in this report (including SLT, SCT, the waste service, the ERP system, and Lion Farm) and prioritise corporate effort in managing the issues identified and embed the solutions into the Council.

Progress update:

- Continuing to implement strategies to address the service issues highlighted in the Grant Thornton report.

This includes changing the organisational culture in relation to complaints so that they restore balance and proportionality.

- Meeting structures to facilitate Cabinet Member and Leadership Team cross-working re-established following election.

4.9 Reporting Framework and Governance

- 4.9.1 To ensure that senior officers and members have oversight of delivery, Council approved the reporting mechanism for the Improvement Plan in June 2022. This set out that progress will be monitored by Leadership Team monthly and reported to Cabinet quarterly until all actions have been completed, or changes have been embedded into business as usual. The diagram included at Appendix 4 sets out the governance framework.
- 4.9.2 Two quarterly updates on progress of the Governance Improvement Plan were provided to Cabinet in April 2022 and July 2022. The next quarterly update to Cabinet will take place in September 2022.
- 4.9.3 The government Directions require reporting on the delivery of the Improvement Plan at six monthly intervals to the Secretary of State from the council and the Commissioners. The next report is due in December 2022.
- 4.9.4 The report to Council seeking approval of the Improvement Plan stated that existing member-led committees, such as the Governance & Constitution Review Committee, Audit & Risk Assurance Committee and Scrutiny Committees, will be used for decision making and maintaining oversight of the actions and implementation of the Improvement Plan.
- 4.9.5 The Governance & Constitution Review Committee and cross-party Working Group have been integral to the development and review of the governance documents, ahead of decisions taken by Council in July and due in October this year.
- 4.9.6 Audit & Risk Assurance Committee received an introduction to the Improvement Plan and the Improvement Plan Risk Register on 28 June 2022 to support the committee's work programming. The Improvement Plan Risk Register and overall progress will be reported to the Audit & Risk Assurance Committee regularly. The Committee will focus primarily on assurance and risk management of the Plan. The next report to Audit & Risk Assurance Committee will take place on 22 September 2022.
- 4.9.7 Scrutiny Boards have now developed their work programmes. Budget & Corporate Scrutiny Management Board has included several elements of the Improvement Plan on their work programme as well as regular reports on overall progress. This report is the first report to Budget & Corporate Scrutiny Management Board on overall progress.

4.9.8 Following the first progress report to Audit & Risk Assurance Committee and Budget & Corporate Scrutiny Management Board, those members will identify areas for further exploration and reporting. Any recommendations or comments from these committees for Cabinet's consideration will be presented at Cabinet's meeting on 28 September.

4.9.9 External assurance will continue to play a part in our improvement journey. Grant Thornton, CIPFA and the LGA have been invited back in Autumn 2022 to monitor our progress in addressing the recommendations in their reviews.

4.10 Risk Management

4.10.1 The Improvement Plan Risk Register underpins the council's strategic risk relating to the council's Improvement Plan (59a 02/22) and is currently rated as an overall Amber risk. The risk register is reported monthly to Leadership Team and quarterly to Cabinet.

4.10.2 The current risk register is attached as Appendix 5. The main risks are associated with:

- **Resources** – for delivery of key components of the plan including the performance management framework, asset management system implementation and culture change programme. The financial resources required have been identified and were approved by Council in June.
- **Organisational Culture** – If the organisational culture doesn't change, this will limit the improvements that can be made. A theme within the Improvement Plan focuses on organisational culture. It includes plans for a comprehensive engagement programme with staff and members to define a collectively owned culture. We will then embed the conditions for this culture to thrive.
- **Communication** – to ensure everyone is aware of their respective roles and responsibilities. A detailed communication plan will be developed to ensure effective and timely communication with stakeholders
- **Constitutional Changes** – key corporate governance documents are being reviewed and the first set were approved in July with others to follow in October. Once approved, these policies will provide an important foundation for improvement.

- **Performance Management Framework** – to ensure that we can effectively monitor progress and evidence improvement. Each theme includes an outline of how success will be evidenced. Processes for monitoring progress are in place, and processes for capturing and using evidence of improvement will be developed.
- **Historic Issues** – if there is a continued focus on and resource directed towards historic issues this will hinder improvement. The improvement plan contains actions to bring historic issues to a conclusion and embed lessons learnt.
- **Progress Monitoring and Risk Management approach** – if assessment of progress and risk assessment contains optimism-bias, this will prevent an accurate and realistic view of progress. Assurance mechanisms will help manage this risk.

4.11 Changes to the Improvement Plan

4.11.1 The Improvement Plan is intended to be a live document updated to take account of progress and relevant changes.

4.11.2 The Improvement Plan report to Council in June 2022 set out that changes (which may include the addition of new workstreams or objectives, or the amendment of timescales for delivery of actions) will be tracked through programme management mechanisms and that Cabinet will retain oversight of changes through regular formal reporting.

4.11.3 Changes are considered by Leadership Team at on a quarterly basis. Appendix 6 contains details of all the changes made to the Improvement Plan this quarter and are summarised as follows:

- 3 changes made to address errors in the Improvement Plan
- 15 changes made to amend delivery timescales
- 1 change to add a new action
- 1 change to amend the delivery lead

5 Implications

Resources:	Resources to deliver the Improvement Plan have been allocated from within existing commitments in the majority of cases. Where one-off funding is required to deliver improvements, this will either be funded from the Improvement and Capacity Fund or
-------------------	--

	<p>from earmarked reserves created from 2021/22 underspend position. Allocation of this funding was approved by Council with the Improvement Plan on 7 June 2022.</p> <p>Where funding is required for longer-term change, this will be incorporated into the Medium-Term Financial Strategy.</p> <p>There are no land or building implications associated with the Improvement Plan as a whole.</p>
<p>Legal and Governance:</p>	<p>On 22 March 2022, The Secretary of State for Levelling Up, Housing and Communities issued Directions under Section 15(5) and (6) of the Local Government Act 1999 (the 1999 Act) in order to ensure that the council can comply with the requirements of Part 1 of the 1999 Act. Failure to comply with these Directions may lead to further intervention measures for the council.</p> <p>The regular reporting development and approval of this Improvement Plan will mean that the council has achieved one of the elements within the Directions within the specified timescales.</p> <p>The delivery of the Improvement Plan and achievement of the desired outcomes will meet the remainder of the Directions.</p> <p>Ultimately, the changes made through the Improvement Plan will enable the council to effectively deliver its strategic priorities and ensure it is delivering value for money for Sandwell.</p> <p>Scrutiny’s consideration of progress of the Improvement Plan and input into specific work areas contained within the plan, contributes to the governance and assurance framework of the Improvement Plan and effective scrutiny.</p>

<p>Risk:</p>	<p>If the Council fails to take appropriate action to meet the requirements set out in the government Direction, or the Commissioners appointed by the Secretary of State do not have sufficient confidence that appropriate actions are being taken to implement and sustain the required improvements, then the council risks not having appropriate arrangements in place to comply with its best value duty under Part 1 of the 1999 Act. This could lead to further government intervention, increased costs and damage to reputation.</p> <p>A risk register will be maintained for the duration of the Improvement Plan which will underpin the council's strategic risk relating to the council's Improvement Plan (59a 02/22). This is reported monthly to Leadership Team, quarterly to Cabinet, and will be regularly reported to Audit and Risk Assurance Committee.</p>
<p>Equality:</p>	<p>The successful delivery of the Improvement Plan will require the development and review of many of the council's policies and procedures. These changes will build in consideration of the impact on equalities throughout the development and will include an Equality Impact Assessment where appropriate.</p>
<p>Health and Wellbeing:</p>	<p>The underpinning objective of the Improvement Plan is to ensure the council is able to achieve the strategic priorities as set out in the Corporate Plan. These priorities focus on improving the health and wellbeing of our residents and tackling health inequalities in a multi-faceted way. Therefore, any improvements to the council's governance structures will strengthen the council's ability to deliver services that will improve the health and wellbeing of Sandwell.</p>
<p>Social Value</p>	<p>Within the Improvement Plan, the council is committed to developing its Social Value Policy in conjunction with the refresh of the Procurement & Contract Procedure Rules. Through strengthening our asks of contractors through this Social Value Policy</p>

	and linking them to the Corporate Plan objectives, the council will be able to maximise its social value return.

Report to Budget and Corporate Scrutiny Management Board

14 September 2022

Subject:	Equality, Diversity and Inclusion Policy 2022 - Update
Director:	Surjit Tour, Director - Law and Governance and Monitoring Officer
Contact Officer:	EDI Manager, Koser Shaheen Koser_Shaheen@sandwell.gov.uk

1 Recommendations

- 1.1 That the Board considers and comments upon the draft Equality, Diversity and Inclusion Policy 2022 as set out in Appendix 1.
- 1.2 That the Board notes the proposal to utilise the Local Government Association Equality Framework (Appendix 2) to develop the council's Equality, Diversity and Inclusion strategy.

2 Reasons for Recommendations

- 2.1 The council must comply with its legal duties and obligations arising under the Equality Act 2010. Obligations require the council to set out its objectives in discharging its public sector equality duties.
- 2.2 Adopting the Equality, Diversity and Inclusion Policy 2022 makes clear the council's commitment to promote equality and challenge discrimination and intolerances in all its forms.
- 2.3 The policy will assist all employees to understand the council's ambitious vision, mission, and commitments in relation to Equality, Diversity and Inclusion (EDI).

- 2.4 The Local Government Association (LGA) Corporate Peer Challenge Feedback report recommended a review of our 2011 Equality Policy.
- 2.5 A review of the Equality Policy is a key strategic deliverable in the Sandwell Improvement Plan.
- 2.6 Updating our Equality Policy is the first step towards adopting best practice in implementing the improvement modules of the LGA Equality Framework for Local Government (EFLG).

3 How does this deliver the objectives of the Corporate Plan?

- 3.1 The Corporate Plan is at the heart of everything that the Council does. Implementing the Equality, Diversity and Inclusion Policy 2022 will help the Council to meet its legal obligations under the Equality Act 2010 and Public Sector Equality Duty (PSED). This in turn will contribute to the successful delivery of each of the priorities that make up the Corporate Plan.

	<p>One Council One Team – Systems and Governance We will deliver the Equalities Commission and implement its recommendations in order to ensure we meet our specific equalities duties and drive the equalities agenda at the heart of our organisation.</p>

4 Context and Key Issues

Equality Policy - Current Position

- 4.1 Sandwell Council is committed to celebrating and promoting the rich and diverse backgrounds and cultures of its employees and residents across all six towns in the Borough and embedding equality in all that it does.
- 4.2 Sandwell Council is committed to driving improvement with regards to its EDI agenda. Under section 149 of the Equality Act 2010, Public Sector Equality Duty (PSED), a public authority must, in the exercise of its functions, have due regard

to the need to-

- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

4.3 The council's ambition is to not only meet these obligations but exceed them through the work that will be carried out by Sandwell's Equalities Commission.

4.4 Following the LGA Peer Group Review recommendation to review the council's Equality Policy 2011, an officer working group was established and reviewed the policy. The review included benchmarking various policies from other local authorities (LAs), considering best practice and guidance from external organisations, namely the LGA and ACAS.

4.5 The views and the thoughts of the recognised Trade Unions were also canvassed and considered in the preparation of the revised Equality Policy. Officers also engaged with the West Midlands Local Authority Equality Network which is a cross collaboration of approximately 14 LAs.

4.6 From the benchmarking exercise undertaken, the LAs which were successful and proactive in their EDI agendas had implemented the roadmap methodology of LGA EFLG to help design and deliver their EDI policy and strategies.

4.7 The benchmarking exercise also considered alternative equality policies, including from other local authorities. The Equality Policy template as recommended by ACAS formed the basis of the proposed Sandwell Equality, Diversity and Inclusion Policy 2022. The purpose of the policy is to provide equality, fairness and respect for all in our employment. The new policy specifically clarifies eight equality commitments.

4.8 The updated Equality, Diversity and Inclusion Policy 2022 is set out in Appendix 1.

Consultation process

4.9 Sandwell Council is committed to working with its recognised Trade Unions.

4.10 The Equality, Diversity and Inclusion Policy 2022 was developed in conjunction with Sandwell Council's recognised Trade Unions. The Trade Unions were afforded the opportunity to comment upon the proposed policy. The policy set out in Appendix 1 has the support of Trade Unions.

LGA Equality Framework for Local Government (EFLG)

4.11 The EFLG framework helps local councils to meet their obligations under the Equality Act 2010 including the PSED.

4.12 The framework is intended to help councils:

- Deliver accessible, inclusive and responsive services to customers and residents in their communities including those from under-represented groups.
- Employ a workforce that reflects the diversity of the area they are serving.
- Provide equality of opportunity for all staff.

4.13 The EFLG sets out four modules for improvement, underpinned by a range of criteria and practical guidance that can help a council plan, implement, and deliver real equality outcomes for employees and the community. This framework will be used for the council to self-assess its progress. For each module there are three Levels: Developing, Achieving and Excellent. The levels are progressive and cumulative so an organisation can plan and chart its progression against different priorities. Councils can be at different levels of the framework for different modules or themes. The council can also ask the LGA to review its progress against the framework.

4.14 The four modules are:

- understanding and working with your communities
- leadership, partnership and organisational commitment
- responsive services and customer care
- diverse and engaged workforce

4.15 The updated Equality, Diversity and Inclusion Policy 2022 is phase one of the council's EDI improvement journey. The EFLG framework and improvement modules will be used to produce an EDI Roadmap (phase two) which will set out the timeline, design and delivery of the council's first EDI Single Framework Strategy (phase three).

4.16 The EDI Roadmap (phase two) will be developed between October and December 2022. A further report will then be presented to Cabinet in respect of the EDI Roadmap.

4.17 The EDI Roadmap will provide a clear timeframe within which the EDI Single Framework Strategy will be developed. It is anticipated that the strategy will be for either a three or five year period to enable time to embed the EDI agenda within the council and deliver various EDI initiatives across the borough working with our partners, stakeholders and residents. As part of the EDI strategy development, a comprehensive Equality, Diversity and Inclusion Policy will be constructed and embedded within the strategy.

5 Implications

Resources:	There are no specific financial implications arising from the contents of this report.
Legal and Governance:	The Council must comply with its legal duties and obligations arising under the Equality Act 2010. Section 149 of the Equality Act 2010 enacts a single general public sector equality duty (PSED) which applies to public authorities exercising public functions. The duty on public authorities to have "due regard" to the PSED in section 149(1) of the Equality

	Act 2010 is more than simply a requirement to have general regard. Real thought must be given to the PSED and its requirements.
Risk:	A review of the Equality Policy is a key deliverable outlined in the council's Improvement Plan. Failure to implement an up to date policy will risk jeopardising Improvement Plan progress and result in the loss of confidence and trust in the Council's ability to deliver its Equalities priorities. Failure to comply with our legislative obligations leaves the council open to potential claims and or significant reputational damage.
Equality:	The Equality implications are detailed within the main body of the report.
Health and Wellbeing:	By taking a proactive approach in updating the council's Equality Policy, we will be supporting employees by promoting equality and challenging discrimination and intolerances in all forms. The council will break down barriers prohibiting an inclusive society by confidently tackling unfairness caused by inequality and encouraging community cohesion through increased understanding and awareness.
Social Value	<p>This policy will encourage EDI in the workplace as a matter of good practice. It will promote a positive working environment free of bullying, harassment, victimisation and discrimination. It will promote dignity and respect for all.</p> <p>The council does require when contracting with third parties that they have appropriate EDI policies in place. Where possible, the council encourages third parties to actively promote and embed their EDI duties and obligations.</p>

EQUALITY, DIVERSITY AND INCLUSION POLICY 2022

6. Review employment practices and procedures when necessary to ensure fairness, and also update them and the policy to take account of changes in the law.

Equality Framework for Local Government (EFLG) 2021

The Equality Framework has been updated to reflect the latest legislation affecting equality such as Gender Pay Gap reporting, the changing context of the local government sector and equality in Britain as well as in response to other significant issues that might affect equality including the UK's decision to leave the European Union, the increased focus on race equality as a result of the Black Lives Matter movement and the health inequities highlighted by the Coronavirus pandemic.

Equality frameworks
01 Nov 2021

Introduction

The equality framework is intended to help councils:

- Deliver accessible, inclusive and responsive services to customers and residents in their communities including those from under-represented groups.
- Employ a workforce that reflects the diversity of the area they are serving.
- Provide equality of opportunity for all staff.
- Meet the requirements of the Public Sector Equality Duty and support any aspirations to exceed these.

It seeks to do this by:

- Identifying the areas of activity that councils need to address to deliver good equality outcomes.
- Helping councils to understand how they can build equality into processes and practices.
- Supporting organisations to become inclusive employers.
- Enabling councils to informally self-assess their progress on the equality improvement journey and determine where and how they need to improve.

Providing the framework for an LGA Equality peer challenge.

Underlying principles

- The EFLG is part of the LGA's sector support programme offer to the local government sector and as such engagement with the framework is voluntary.
- The framework can help with compliance with the Public Sector Equality Duty which is a legal obligation of the Equality Act 2010.
- The framework references the nine legally protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation. It also encourages councils to consider other issues that might be affecting their staff such as caring responsibilities as well as issues affecting communities like socio-economic inequality and isolation including rural isolation.
- The EFLG is supportive of the Equality and Human Rights Commission's six selected domains of equality measurement which it has identified as the areas of life that are important to people and that enable them to flourish. They are: education, work, living standards, health, justice and personal security, and participation.

- The modular design of the framework reflects the fact that councils come in all shapes and sizes with different resources, communities and priorities. It recognises that action on all equality issues at once is not always possible.
- Developing EDI processes and practices is an ongoing process for all councils, regardless of what level a council is performing at (even in excellence there is room for improvement).
- The framework supports the LGA's Equality peer challenge and other peer challenges.

The framework sets out four modules for improvement, underpinned by a range of criteria and practical guidance that can help a council plan, implement and deliver real equality outcomes for employees and the community. The four modules are:

understanding and working with your communities

leadership, partnership and organisational commitment

responsive services and customer care

diverse and engaged workforce

For each module there are three Levels. Developing, Achieving and Excellent. The levels are progressive and cumulative so an organisation can plan and chart its progression against different priorities. Councils can be at different levels of the framework for different modules or themes.

Developing - The developing level criteria contain the basic building blocks for each priority. An organisation at the Developing level has made an organisational commitment to improving equality. It is putting in place processes to deliver on equality issues and is working towards meeting or is meeting the statutory requirements.

Achieving - An organisation at the Achieving level has policies, processes and procedures in place and is delivering some good equality outcomes. It is not only meeting but can demonstrate exceeding statutory requirements.

Excellent - An organisation at the Excellent level has mainstreamed equality throughout the organisation and can demonstrate that it is delivering significant outcomes across its services that are making a difference in its communities. The organisation not only exceeds statutory requirements but is an exemplar council for equality and diversity in the local government and wider public sector.

Underlying each module are a number of themes, each with a short descriptor at each level of the framework. Each theme has a set of indicators or criteria that can be used to self-assess or plan activity.

Understanding and working with your communities

- collecting and sharing information
- analysing and using data and information
- effective community engagement
- fostering good community relations
- participation in public life.

Leadership, partnership and organisational commitment

- political and officer leadership
- priorities and working in partnership

- performance monitoring and scrutiny.

Responsive services and customer care

- integration of equality objectives into planned service outcomes
- service design and delivery.

Diverse and engaged workforce

- workforce diversity and inclusion
- inclusive strategies and policies
- collecting, analysing and publishing workforce data
- learning, development and progression
- health and wellbeing.

Understanding and working with your communities

Collecting and sharing information

Developing category

Developing (1.1)	Criteria
<p>The organisation has gathered and published information and data on the profile of its communities and the extent of inequality and disadvantage. Plans are in place to collect, share and use equality information with partners.</p>	<p>The organisation is clear about what sources of information (both local and national) are relevant and useful. The organisation knows what information is already being collected – internally and by its partners, including voluntary and community sector stakeholders. Some information and data have been gathered and published. The organisation is working with its partners to ensure information is shared effectively. Partners ensure efficient collection of data that avoids duplication. The authority is compliant with GDPR legislation in its collection, analysis storage and use of data and information.</p>

Achieving category

Achieving (1.2)	Criteria
<p>Relevant, proportionate and appropriate information about the local communities and their protected characteristics is being gathered. Information is shared appropriately across the organisation and with partners, informing the planning of services and contributing to better outcomes.</p>	<p>Information is analysed on the basis of different communities, including those sharing protected characteristics. Quantitative and qualitative research methods are used to gather data and information. National and regional data is used and analysed. Information from ward councillors is gathered in a systematic way. Data is easily accessed, shared and used by departments across the organisation. The organisation is working with partners to address identified gaps in information. Data is disaggregated using the same or similar categories. Information is being shared to identify and measure equality needs and to understand and measure outcomes for the area. There are robust and effective protocols in place for sharing information between partners and within the council and to ensure data protection. Information is being captured about health and the social determinants of health including socio-economic deprivation and other inequalities.</p>

Excellent category

Excellent (1.3)	Criteria
<p>A comprehensive set of information about local communities/groups with protected characteristics needs and outcomes is regularly updated and published and used to identify priorities for the local area.</p>	<p>The council is working with partners to continuously develop new and innovative data sharing platforms. The organisation has a sophisticated understanding of the differences between the equality profiles of their local area and how that translates to inequalities for different groups. Changing needs are identified and prioritised across a wide range of services and outcomes by, for example, referring to the Equality and Human Rights Commission's Equality Measurement Framework. Data is regularly updated and used to set priorities across the organisation and in different services, by geographical area and by protected and other characteristics such as intersectionality, deprivation etc. There is evidence of a continuous improvement of the quality of the data. Voluntary and community sector partners/health colleagues and stakeholders access and use the information.</p>

Analysing and using data information

Developing category

Developing (2.1)	Criteria
Systems are being developed to analyse soft and hard data/intelligence about communities, their needs and aspirations.	The organisation is developing and improving systems for collating and analysing the different sets of data being collected. Information is collected by front-line staff or key decision makers and taken account of. Information captured about inequalities is used in decision making. The authority is compliant with GDPR legislation, analysis and use of data and information.

Achieving category

Achieving (2.2)	Criteria
Information and data is disaggregated and analysed to support the assessment of local need, impacts of changes to services and priorities.	Data is used to inform the setting of relevant equality objectives, and these are regularly monitored. Data is used in service planning, commissioning and decision making. Data is continuously gathered and analysed. Information is disaggregated in a meaningful way, by relevant protected characteristic and other factors (such as deprivation or rurality) and analysed on a regular basis. Information is used to identify and prioritise on the basis of need. Information and data is used effectively as part of impact assessment/risk assessment ensuring due regard is given to the public sector equality duty. Performance data is monitored against equality objectives and outcomes with key partners and other stakeholders. Equality outcomes for commissioned and procured services are monitored and reported on.

Excellent category

Excellent (2.3)	Criteria
Up to date and comprehensive equality data is used regularly to plan, predict and assess impacts of decisions and business as usual practice. Impacts are monitored and reviewed.	The organisation and its partners are using data in innovative ways such as data insight methods to target service interventions. Data is being used appropriately and accurately to predict and measure demand for services. Achievement of outcomes are measured and there is evidence of gaps being narrowed in the areas identified by local people as their priorities.

Effective community engagement

Developing category

Developing (3.1)	Criteria
A whole council approach to the development of inclusive community engagement structures is being developed throughout the organisation. There are opportunities for communities to be involved in decision making.	The organisation has an agreed approach to engagement. It is clear about different levels of engagement (i.e. informing, consulting, participating, co-producing) and when these are appropriate. Engagement structures are in place. There are opportunities for under-represented groups to engage with decision making. The organisation can evidence examples of these opportunities. Shared engagement structures/mechanisms are in development with partners. There are some shared engagement activities with partners.

Achieving category

Achieving (3.2)	Criteria
-----------------	----------

Achieving (3.2)	Criteria
<p>Integrated engagement mechanisms and structures are in place to involve stakeholders in scrutinising service delivery, decision-making and progress. The organisation engages with all its communities when making decisions, including those from under- represented groups.</p>	<p>People from under-represented groups are encouraged and enabled to participate in decision making. A range of engagement methodologies are used. Priorities have been changed as a result of community engagement with a clear and demonstrable evidence basis. The organisation and its partners share information and the results of engagement activities to ensure that particular groups are not being over consulted with. There is an increase in the involvement of underrepresented groups. Engagement with the community and voluntary sector and the wider community effectively inform decisions. There are processes and plans throughout the organisation and with partners to increase stakeholder and voluntary and community sector involvement in informing priorities. Feedback is given and people in the community are able to challenge and have their views taken account of.</p>

Excellent category

Excellent (3.3)	Criteria
<p>Formal and informal interactions take place between the organisation and its diverse and under-represented communities. All under-represented groups are actively participating in and influencing decision making and intersectionality is explored and accounted for.</p>	<p>There are a range of innovative approaches involving communities and arrangements are made to meet specific or individual needs.
