## 1 Recommendations

- 2 That the Committee notes that the following planning application will be visited by the Committee on 5<sup>th</sup> October 2022.

## 3 Reasons for Recommendations

- 3.1 Planning officers recommend these visit(s) to assist with the timescales set by government for reaching decisions on planning applications and when an application has generated substantial public interest.

## 4 How does this deliver objectives of the Corporate Plan?

		We now have many new homes to meet a full range of housing needs in attractive neighbourhoods and close to key transport routes.
		

to bring up their families. Sandwell now has a national reputation for getting things done, where all local partners are focused on what really matters in people's lives and communities.

## 5 Context and Key Issues

- 5.1 Planning applications can generate considerable public interest and it is considered that in some circumstances a visit to the site by the planning committee will assist them in understanding the proposal in relation to the surrounding area.
- 5.2 Visiting the site earlier in the planning process can assist with the timescales set by government for reaching decisions on planning applications.
- 5.3 In the event that the application does not generate objections, then members will no longer be required to consider the planning application before their committee and instead the application will be decided under delegated powers.
- 5.4 Site visit(s) for the following planning application(s) are reported. A location plan and site layout are attached:-

Application No. and Description.	Date received	Reason
DC/22/67139 Proposed single and two storey side extension, single storey rear extension and loft conversion with rear dormer.	7 June 2022	The application has generated a number of concerns from residents in relation to its scale and size and impact on neighbouring amenity

<b>Legal and Governance:</b>	The Planning Committee has delegated powers to determine planning applications within current Council policy. Section 78 of the Town and Country Planning Act 1990 gives applicants a right to appeal when they disagree with the local authority's decision on their application, or where the local authority has failed to determine the application within the statutory timeframe
