1. Recommendations

- 1.1. That Audit and Risk Assurance Committee considers and comments upon the progress of the Improvement Plan up to 4 August 2022.
- 1.2. That any recommendations or comments are reported to Cabinet at their meeting on 28 September 2022 for their consideration.
- 1.3. That the Committee considers any additional areas of focus for its work plan.

2. Reasons for Recommendations

- 2.1 This report provides a quarterly update on progress against the Improvement Plan agreed by Council on 7 June 2022. The Improvement Plan incorporates all recommendations from the Grant Thornton Governance Review, the LGA Corporate Peer Challenge and the CIPFA Financial Management Review, as well as the Statutory Directions from the Secretary of State for Levelling Up, Housing and Communities.

- 2.2 On 28 June 2022, Audit and Risk Assurance Committee received the Improvement Plan and accompanying risk register and requested regular updates on progress.
- 2.3 As part of the governance and assurance arrangements for the Improvement Plan, Audit and Risk Assurance Committee and Budget and Corporate Scrutiny Management Board will review progress of the Improvement Plan and utilise the plan for work programming purposes. Both Committees are due to consider progress at their meetings in September. Any recommendations or comments Budget and Corporate Scrutiny Management Board wish to make to Cabinet can be presented for Cabinet's consideration on 28 September.

3. How does this deliver objectives of the Corporate Plan?

- 3.1 Sandwell Council's Improvement Plan focuses on the governance arrangements of the council and areas of improvement across the organisation. The underpinning objective of the Improvement Plan is to ensure that the council is able to deliver on the aims and priorities as set out in the Corporate Plan. The deliverables set out in this Improvement Plan will achieve long-term sustainable improvements in how the council operates and is able to make effective decisions focused on improving outcomes for residents and experiences of service users. Therefore, this impacts on the council's ability to deliver all the objectives in the Corporate Plan.

	Best start in life for children and young people
	People live well and age well
	Strong resilient communities
	Quality homes in thriving neighbourhoods
	A strong and inclusive economy

4 Context and Key Issues

4.1 Background

- 4.1.1 The council's external auditors Grant Thornton conducted a Value for Money Review into the council's governance arrangements over the period August to October 2021 and reported their findings of this review to Full Council in January 2022. In response, Council approved a Governance Improvement Plan in January 2022 to address the recommendations made by Grant Thornton and the proposed reporting mechanisms to ensure progress is managed effectively.
- 4.1.2 Since the approval of this Governance Improvement Plan findings were received from the CIPFA Financial Management Review, LGA Corporate Peer Challenge along with the Statutory Directions from the Secretary of State for Levelling Up, Housing and Communities.
- 4.1.3 A single Improvement Plan was agreed by Council on 7 June 2022 which addresses the recommendations from all the external reviews and the Statutory Directions. The Improvement Plan provides the organisation with a clear direction for sustainable improvement under six thematic headings. The single Improvement Plan has superseded the Governance Improvement Plan.
- 4.1.4 To ensure that senior officers and members have oversight of delivery against the Improvement Plan, Council approved that progress will be monitored by Leadership Team monthly and reported to Cabinet quarterly. This will continue until all actions have been completed, or changes have been embedded into business as usual.
- 4.1.5 This report is the first quarterly update to Audit and Risk Assurance Committee on overall progress of the Improvement Plan and the second update to Audit and Risk Assurance Committee on the Improvement Plan risk register.
- 4.1.6 At the meeting of the Audit and Risk Assurance Committee on 28 June 2022, the Chair of the Committee outlined that a distinct approach to the

Improvement Plan had been agreed with the Chair of the Budget and Corporate Scrutiny Management Board to avoid overlap with oversight. Primarily the Audit and Risk Assurance Committee will focus on the assurance and risk management of the plan whereas the Scrutiny Board will focus on challenging policy and performance.

4.1.7 At the meeting on 28 June 2022, Audit and Risk Assurance Committee requested to review the detailed monitoring tool that is used to capture progress of the Improvement Plan, and for the governance structure to be presented in a visual format. These are included at Appendix 1 and Appendix 4.

4.2 Specific Recommendations from External Reviews relating to Audit

4.2.1 The Statutory Directions set out that the Council must secure improvement in relation to the proper functioning of the scrutiny and associated audit functions.

4.2.2 In the Value for Money Governance Review, Grant Thornton set out specific recommendations relating to audit as follows:

- **Key Recommendation 7:** Members in key statutory roles, in particular in relation to Cabinet, scrutiny, standards and audit, need to be provided with effective development training and support. The Member Development Programme should be reviewed to ensure corporate governance forms part of the training for members with governance roles
- **Improvement Recommendation 12:** Officer and Member Relationships – There is a need to ensure that members of scrutiny and audit committees are aware of their governance roles including how to interrogate reports and the right questions
- **Improvement Recommendation 14:** Officer and Member Relationships – the forward plan of the Cabinet should be shared with the Audit Committee and Scrutiny Board to help structure their agenda planning
- **Improvement Recommendation 134:** Audit Committee – now that the Audit and Risk Assurance Committee has agreed the action to bring this long-standing matter to resolution [*review into the Wragge Report*], it will be important that – as the Audit and

Governance Panel recognised – the Council manages its position so that the matter does not resurface, so that it can move on and focus on its corporate objectives

4.2.3 The CIPFA Financial Management Review and LGA Corporate Peer Challenge did not make any direct recommendations around the role and function of audit.

4.3 Audit Actions within Improvement Plan

4.3.1 The Improvement Plan contains a workstream focusing on the role and function of scrutiny and audit within the decision-making theme.

4.3.2 In relation to audit, the Improvement Plan sets out actions around managing the position on historic issues through Officers working with the ARAC Chair, and the completion of ARAC recommendations in relation to governance issues raised around SEND Transport.

4.3.3 A measure of success within the Improvement Plan is for there to be evidence that audit input is driving assurance and improvement across the Council.

4.5 Statutory Recommendations

4.5.2 To provide an overview of progress against these three specific recommendations, Appendix 3 extracts the key actions that respond to each of the recommendations and they are summarised below.

4.5.3 **Statutory Recommendation 1** - It is imperative that senior officers and senior members take effective corporate grip of long-standing service issues highlighted by the findings in this report (including SLT, SCT, the waste service, the ERP system, and Lion Farm) and prioritise corporate effort in managing the issues identified and embed the solutions into the Council.

- Meeting structures to facilitate Cabinet Member and Leadership Team cross-working re-established following election.

4.6 Reporting Framework and Governance

- 4.6.1 To ensure that senior officers and members have oversight of delivery, Council approved the reporting mechanism for the Improvement Plan in June 2022. This set out that progress will be monitored by Leadership Team monthly and reported to Cabinet quarterly until all actions have been completed, or changes have been embedded into business as usual. The diagram included at Appendix 4 sets out the governance framework.
- 4.6.2 Two quarterly updates on progress of the Governance Improvement Plan were provided to Cabinet in April 2022 and July 2022. The first quarterly update to Cabinet on the single Improvement Plan will be considered on 28 September.
- 4.6.3 The government Directions require reporting on the delivery of the Improvement Plan at six monthly intervals to the Secretary of State from the council and the Commissioners. The next report is due in December 2022.
- 4.6.4 The report to Council seeking approval of the Improvement Plan stated that existing member-led committees, such as the Governance & Constitution Review Committee, Audit & Risk Assurance Committee and Scrutiny Committees, will be used for decision making and maintaining oversight of the actions and implementation of the Improvement Plan.
- 4.6.5 The Governance & Constitution Review Committee and cross-party Working Group have been integral to the development and review of the governance documents, ahead of decisions taken by Council in July and due in October this year.

- 4.6.6 Audit & Risk Assurance Committee received an introduction to the Improvement Plan and the Improvement Plan Risk Register on 28 June 2022 to support the committee's work programming. The Improvement Plan Risk Register and overall progress will be reported to the Audit & Risk Assurance Committee regularly. The Committee will focus primarily on assurance and risk management of the Plan.
- 4.6.7 Scrutiny Boards have now developed their work programmes. Budget & Corporate Scrutiny Management Board has included several elements of the Improvement Plan on their work programme as well as regular reports on overall progress. Budget & Corporate Scrutiny Management Board will receive a report on overall progress of the Improvement Plan on 14 September 2022.
- 4.6.8 Following the first progress report to Audit & Risk Assurance Committee and Budget & Corporate Scrutiny Management Board, those members will identify areas for further exploration and reporting. Any recommendations or comments from these committees will be presented at Cabinet's meeting on 28 September 2022.
- 4.6.9 External assurance will continue to play a part in our improvement journey. Grant Thornton, CIPFA and the LGA have been invited back in Autumn 2022 to monitor our progress in addressing the recommendations in their reviews.

4.7 Risk Management

- 4.7.1 The Improvement Plan Risk Register underpins the council's strategic risk relating to the council's Improvement Plan (59a 02/22) and is currently rated as an overall Amber risk. The risk register is reported monthly to Leadership Team and quarterly to Cabinet.
- 4.7.2 The current risk register is attached as Appendix 5. The main risks are associated with:
- **Resources** – for delivery of key components of the plan including the performance management framework, asset management system implementation and culture change programme. The financial resources required have been identified and were approved by Council in June.
 - **Organisational Culture** – If the organisational culture doesn't change, this will limit the improvements that can be made. A theme within the Improvement Plan focuses on organisational culture. It

includes plans for a comprehensive engagement programme with staff and members to define a collectively owned culture. We will then embed the conditions for this culture to thrive.

- **Communication** – to ensure everyone is aware of their respective roles and responsibilities. A detailed communication plan will be developed to ensure effective and timely communication with stakeholders
- **Constitutional Changes** – key corporate governance documents are being reviewed and the first set were approved in July with others to follow in October. Once approved, these policies will provide an important foundation for improvement.
- **Performance Management Framework** – to ensure that we can effectively monitor progress and evidence improvement. Each theme includes an outline of how success will be evidenced. Processes for monitoring progress are in place, and processes for capturing and using evidence of improvement will be developed.
- **Historic Issues** – if there is a continued focus on and resource directed towards historic issues this will hinder improvement. The improvement plan contains actions to bring historic issues to a conclusion and embed lessons learnt.
- **Progress Monitoring and Risk Management approach** – if assessment of progress and risk assessment contains optimism-bias, this will prevent an accurate and realistic view of progress. Assurance mechanisms will help manage this risk.

4.8 Changes to the Improvement Plan

4.8.1 The Improvement Plan is intended to be a live document updated to take account of progress and relevant changes.

4.8.2 The Improvement Plan report to Council in June 2022 set out that changes (which may include the addition of new workstreams or objectives, or the amendment of timescales for delivery of actions) will be tracked through programme management mechanisms and that Cabinet will retain oversight of changes through regular formal reporting.

4.8.3 Changes are considered by Leadership Team at on a quarterly basis. Appendix 6 contains details of all the changes made to the Improvement Plan this quarter and are summarised as follows:

- 3 changes made to address errors in the Improvement Plan
- 15 changes made to amend delivery timescales

- 1 change to add a new action
- 1 change to amend the delivery lead

5 Implications

Resources:	<p>Resources to deliver the Improvement Plan have been allocated from within existing commitments in the majority of cases. Where one-off funding is required to deliver improvements, this will either be funded from the Improvement and Capacity Fund or from earmarked reserves created from 2021/22 underspend position. Allocation of this funding was approved by Council with the Improvement Plan on 7 June 2022.</p> <p>Where funding is required for longer-term change, this will be incorporated into the Medium-Term Financial Strategy.</p> <p>There are no land or building implications associated with the Improvement Plan as a whole.</p>
Legal and Governance:	<p>On 22 March 2022, The Secretary of State for Levelling Up, Housing and Communities issued Directions under Section 15(5) and (6) of the Local Government Act 1999 (the 1999 Act) in order to ensure that the council can comply with the requirements of Part 1 of the 1999 Act. Failure to comply with these Directions may lead to further intervention measures for the council.</p> <p>The regular reporting development and approval of this Improvement Plan will mean that the council has achieved one of the elements within the Directions within the specified timescales.</p> <p>The delivery of the Improvement Plan and achievement of the desired outcomes will meet the remainder of the Directions.</p>

	<p>Ultimately, the changes made through the Improvement Plan will enable the council to effectively deliver its strategic priorities and ensure it is delivering value for money for Sandwell.</p> <p>Audit and Risk Assurance Committee's consideration of progress of the Improvement Plan and the risk register, contributes to the governance and assurance framework of the Improvement Plan.</p>
Risk:	<p>If the Council fails to take appropriate action to meet the requirements set out in the government Direction, or the Commissioners appointed by the Secretary of State do not have sufficient confidence that appropriate actions are being taken to implement and sustain the required improvements, then the council risks not having appropriate arrangements in place to comply with its best value duty under Part 1 of the 1999 Act. This could lead to further government intervention, increased costs and damage to reputation.</p> <p>A risk register will be maintained for the duration of the Improvement Plan which will underpin the council's strategic risk relating to the council's Improvement Plan (59a 02/22). This is reported monthly to Leadership Team, quarterly to Cabinet, and will be regularly reported to Audit and Risk Assurance Committee.</p>
Equality:	<p>The successful delivery of the Improvement Plan will require the development and review of many of the council's policies and procedures. These changes will build in consideration of the impact on equalities throughout the development and will include an Equality Impact Assessment where appropriate.</p>
Health and Wellbeing:	<p>The underpinning objective of the Improvement Plan is to ensure the council is able to achieve the strategic priorities as set out in the Corporate Plan. These priorities focus on improving the health and wellbeing</p>

	of our residents and tackling health inequalities in a multi-faceted way. Therefore, any improvements to the council's governance structures will strengthen the council's ability to deliver services that will improve the health and wellbeing of Sandwell.
Social Value	Within the Improvement Plan, the council is committed to developing its Social Value Policy in conjunction with the refresh of the Procurement & Contract Procedure Rules. Through strengthening our asks of contractors through this Social Value Policy and linking them to the Corporate Plan objectives, the council will be able to maximise its social value return.
