

Report to Ethical Standards and Member Development Committee

7 March 2023

Subject:	DBS Checks for Elected Members
Director:	Surjit Tour - Director of Law and Governance and Monitoring Officer
Contact Officer:	Surjit Tour Surjit_tour@sandwell.gov.uk

1 Recommendations

- 1.1 That the Committee consider the Protocol for DBS for Elected Members and recommend to Council for approval, with effect from the commencement of the 2023 municipal year.

2 Reasons for Recommendations

- 2.1 The Council is under a statutory duty to promote and maintain high standards of conduct, as set out in the Localism Act 2011. The introduction of DBS checks for members was raised as part of the consideration of this duty at the Member Engagement sessions held in December 2020.

One of the recommendations was that further consideration be given to the benefits of DBS checks and whether they should be introduced at this Council.

Further to Minute No. 41/22, it is proposed that

- (1) annual Basic DBS Checks be undertaken for all elected members not identified in the roles set out in (2) below;

(2) annual Enhanced DBS Checks be undertaken for those elected members in the roles set out below:-

- The Leader
- Deputy Leader
- Cabinet Members for Children and Adults
- All Members of Children's Services and Education Scrutiny Board and Health and Adults Social Care Scrutiny Board
- Members of the Corporate Parenting Board
- Members of the Health and Wellbeing Board
- Any other Member who may regularly come into contact with children or vulnerable adults as part of their Council role.

A Protocol for DBS Checks for Elected Members has been produced and is attached for consideration and recommended for approval to Council.

3 How does this deliver objectives of the Corporate Plan?

		Maintaining high standards in public office is important in providing assurance to the Council and the public that standards matters are being dealt with effectively, fairly and proportionately.
		
		

4 Context and Key Issues

- 4.1 In December 2020, a series of Member Engagement sessions took place. Feedback from the sessions was considered at Committee on 12 March 2021. One of the issues highlighted at the sessions was whether Members should be asked to consent to DBS checks.
- 4.2 Prior to 2012, Local Authorities routinely carried out Criminal Record Bureau (CRB) checks on Elected members. However, the Protection of Freedoms Act 2012 created the Disclosure and Barring Service and a new system of checks.

This included a more restrictive set of criteria to determine when checks could be carried out and on whom. Since 2012, the issue of DBS checking for Councillors has become a policy matter for individual Councils.

Level of DBS Check

- 4.3 Standard and Enhanced DBS checks can only be undertaken if the specific role, or the specific activities carried out within the role, are included in the Rehabilitation of Offenders Act (ROA) 1974 (Exceptions) Order 1975 (access to standard DBS certificates), and are also covered by the Police Act 1997 or Police Act 1997 (Criminal Records) regulations (access to enhanced DBS certificates). These laws only provide eligibility for DBS checks, they do not make them a requirement.
- 4.4 Decisions on when and whether to undertake a DBS check are for the relevant employer or regulator to make. If the Council are considering asking a person to apply for either a standard or enhanced DBS check, as the employer, the Council are legally responsible for making sure the job role is eligible. The job roles of Councillors do not meet the requirements for a standards DBS check.
- 4.5 There is currently no legal basis on which the Council can currently require or seek Enhanced DBS Checks for all Elected Members. The role does not constitute a 'named position' eligible for checks, and Ward Councillors do not carry out 'regulated activity' as defined by the Freedom of Information Act 2012.
- 4.6 The Council is of course aware that some Elected Members may have had DBS checks, albeit in another capacity, for example if they are School Governor etc. Elected Members who do not carry out any of the specific educational and/or social service functions but who attend community events, take surgeries or visit local residents in their own home where they have access to the general public, including children, do not meet the legislative criteria, as outlined above. However, a Basic Check could still be requested.

- 4.7 The legislative framework allows discretion on the issue of Basic checks. As such all elected members could agree to undergo a Basic DBS check. Basic checks show “Unspent Convictions & Cautions” from the Police National Computer (PNC) only, *(those that are considered to be unspent under the terms of the Rehabilitation of Offenders Act (ROA) 1974)*. These checks do not show spent convictions, cautions, warnings, reprimands, other relevant police information, or children or adults barred list and are therefore are often considered of more limited value.

Basic checks, whilst limited would allow the Council to see if the criminal offence threshold, as set out in Section 80 of the Local Government Act 1972, has been met and this would be particularly significant if an elected member failed to disclose a conviction leading to a sentence of imprisonment (whether suspended or not) for a period of not less than three months without the option of a fine.

- 4.8 An enhanced check provides full details of a criminal record. This includes cautions, warnings, reprimands, spent and unspent convictions. It can also search the children and vulnerable adults 'barred list' to see if the applicant is prohibited from working with these groups. An individual can not request one themselves only the employer/organisation can request one.
- 4.9 With regard to Enhanced checks, for specific roles with more regular contact with children and vulnerable people, there is no statutory requirement on Councillors to undergo these checks. The eligibility criteria for an enhanced check is defined separately for contact with adults and Children. For children 3 criteria must be met, 1. the Establishment your are in should be a specialist environments that involves working alongside children (e.g. schools, academies, colleges, residential children's care homes etc), 2. The activity should be a regulated one i.e working with children and 3. The activity is either 4 or more times within a 30-day period, or once or more times a week. Examples of regulated activities for Adults are provided in the table below:

Regulated Activity	Definition
Healthcare	Provided by any healthcare professional or under the direction or supervision of one
Personal care	Washing, dressing, eating, drinking and toileting
Social work	In relation to adults, who are clients or potential clients, includes assessing or reviewing the need for health or social care services and providing ongoing support to clients
Assistance with household affairs	Anyone who provides day to day assistance to an adult because of their age, illness or disability, where it includes managing the person's money, paying the person's bills, or shopping on their behalf
Assistance with the conduct of affairs	Power of attorney/deputies appointed under the Mental Capacity Act
Conveying an Adult	For health, personal or social care requirements due to age, illness or disability. This includes hospital porters, patient transport services, driver's assistants, Ambulance Technicians and Emergency Care Assistants. Please note transporting/conveying is not necessarily in a vehicle and could be in a wheelchair/stretcher

- 4.10 It is unlikely that the identified roles such as Leader will meet the criteria to be eligible for an enhanced DBS Check but each role would require individual analysis on the circumstances.

Costs of DBS checks

- 4.11 There is a cost involved in carrying out DBS checks. This is £18 for basic checks and £38 for enhanced checks. There is currently no allocated Council Budget.

- 4.12 Enhanced checks - based on the previously suggested list of members, the annual cost for Enhanced DBS Checks would be approximately £1216 (this could fluctuate depending on membership of bodies/multiple roles). Should there be any changes to appointments during the municipal year, additional DBS checks would need to be undertaken (£38 per enhanced check).
- 4.13 Basic checks – based on 72 members, the annual cost of basic checks for all elected members is £1296 or approximately £1936 for a combination of basic/enhanced (as above).

5 Alternative Options

- 5.1 There is no legal obligation to obtain DBS checks for elected members the status quo could be maintained.
- 5.2 Standard and Enhanced DBS checks can only be undertaken if the specific role, or the specific activities carried out within the role, are included in the Rehabilitation of Offenders Act (ROA) 1974 (Exceptions) Order 1975 (access to standard DBS certificates), and are also covered by the Police Act 1997 or Police Act 1997 (Criminal Records) regulations (access to enhanced DBS certificates).
- 5.3 Enhanced checks could be completed only for those specific posts which meet the eligibility criteria. It is likely that very few of any of the selected posts will meet the eligibility criteria.

6 Implications

Resources:	There is a cost for carrying out the checks. Basic checks cost £18 and enhanced checks cost £38. Options are included section 4.11-4.13 of the report. Should it be determined that the Council should fund the checks a budget will be required to fund them.
Legal and Governance:	The Council would work within the terms of the Government's DBS Eligibility Guidance
Risk:	Carrying out the checks would help mitigate risks in relation to Member convictions
Equality:	All Members would be treated in the same manner regardless of any protected characteristics.

Health and Wellbeing:	There are no direct health and wellbeing implications arising from this report.
Social Value	There are no direct social value implications arising from this report.
