1. Recommendations

- 1.1. That progress against the Improvement Plan up to 2 February 2023 be received.
- 1.2. That the CIPFA FM Model Re-assessment Report be received.
- 1.3. That the responses to the recommendations and improvement points made in the Grant Thornton reissued Value for Money Governance Review Report, Grant Thornton Follow Up Review Report and the LGA Corporate Peer Challenge Progress Review be received.
- 1.4. That the Improvement Plan Risk Register as now submitted be received.

- 1.5. That details of changes to the Improvement Plan as a result of the follow-up external reviews and change to the Improvement Plan monitoring method be received.
- 1.6. That any recommendations or comments made by Budget and Corporate Scrutiny Management Board and the Audit and Risk Assurance Committee in relation to the Improvement Plan will be reported to a future meeting of the Cabinet.

2. Reasons for Recommendations

- 2.1 This report provides a quarterly update on progress against the Improvement Plan agreed by Council on 7 June 2022. The Improvement Plan incorporates all recommendations from the original Grant Thornton Value for Money Governance Review, the LGA Corporate Peer Challenge and the CIPFA Financial Management Review, as well as the Statutory Directions from the Secretary of State for Levelling Up, Housing and Communities.
- 2.2 As part of the council's assurance framework for the Improvement Plan, the LGA, Grant Thornton and CIPFA conducted follow-up reviews in Autumn 2022 to evaluate the council's progress on implementing the specific recommendations from those individual reviews. The findings from the follow-up visits from Grant Thornton and the LGA were reported to Cabinet in December 2022 and the responses to these findings are included within this report. The CIPFA FM Model Re-assessment Report has now been received.
- 2.3 The Improvement Plan is intended to be a live document updated to take account of progress and relevant changes. Changes to the Improvement Plan are tracked through programme management mechanisms. As a result of the findings from the Grant Thornton and LGA follow up reviews, new and/or updated activity has been required within the Improvement Plan. This has been managed through the established change control process to form a refresh of the Improvement Plan.
- 2.4 The actions to respond to the CIPFA FM Model Re-assessment Report will be incorporated in the next update to the Improvement Plan.

2.5 Risk management is embedded within the council's programme management of the Improvement Plan. A risk register is in place which underpins the council's strategic risk relating to the Improvement Plan (59a 02/22). Cabinet is asked to receive the Improvement Plan Risk Register to provide assurance that risks are being managed effectively and to provide contextual information for future decision making.

2.6 As part of the governance and assurance arrangements for the Improvement Plan, Audit and Risk Assurance Committee and Budget and Corporate Scrutiny Management Board review progress of the Improvement Plan and utilise the plan for work programming purposes. Both Committees are due to consider progress at their meetings in March and any recommendations or comments will be presented for Cabinet's consideration.

3. How does this deliver objectives of the Corporate Plan?

3.1 Sandwell Council's Improvement Plan focuses on the governance arrangements of the council and areas of improvement across the organisation. The underpinning objective of the Improvement Plan is to ensure that the council is able to deliver on the aims and priorities as set out in the Corporate Plan. The deliverables set out in this Improvement Plan will achieve long-term sustainable improvements in how the council operates and is able to make effective decisions focused on improving outcomes for residents and experiences of service users. Therefore, this impacts on the council's ability to deliver all the objectives in the Corporate Plan.

The single Improvement Plan replaced the Governance Review Improvement Plan which was approved in January 2022.
- 4.1.2. 4.3 Statutory Recommendations

4.3.1 The Grant Thornton Value for Money Governance Review 2021 included three statutory recommendations that the council has a legal obligation to respond to. These recommendations are incorporated into the single Improvement Plan and are embedded across each of the six themes.

4.3.2 In their follow up review 2022, Grant Thornton recognised progress against all three statutory recommendations.

- 4.3.3 To provide an overview of progress against these three specific recommendations, Appendix 3 extracts the key actions that respond to each of the recommendations and they are summarised below.
- 4.3.4 **Statutory Recommendation 1** - It is imperative that senior officers and senior members take effective corporate grip of long-standing service issues highlighted by the findings in this report (including SLT, SCT, the waste service, the ERP system, and Lion Farm) and prioritise corporate effort in managing the issues identified and embed the solutions into the Council.

4.4 Reporting Framework, Governance and Assurance

- 4.4.1 To ensure that senior officers and members have oversight of delivery, Council approved the reporting mechanism for the Improvement Plan in June 2022. This set out that progress will be monitored by Leadership Team monthly and reported to Cabinet quarterly until all actions have been completed, or changes have been embedded into business as usual. The diagram included at Appendix 4 sets out the governance framework.
- 4.4.2 This report forms the third quarterly update to Cabinet on the Improvement Plan. Leadership Team have reviewed progress against the plan every month.
- 4.4.3 The Government Directions require reporting on the delivery of the Improvement Plan at six monthly intervals to the Secretary of State from the council and the Commissioners. The last report was made in December 2022. The next report is due June 2023
- 4.4.4 Member-led committees, such as the Governance & Constitution Review Committee, Audit & Risk Assurance Committee and Scrutiny Committees, are used for providing a steer and maintaining oversight of the actions and implementation of the Improvement Plan.
- 4.4.5 The Governance & Constitution Review Committee and cross-party Working Group have been integral to the development and review of the governance documents, ahead of decisions taken by Council last year.
- 4.4.6 Audit & Risk Assurance Committee receive quarterly updates on the Improvement Plan and the Improvement Plan Risk Register and they received the external follow up reviews in January 2023. The Committee are due to consider this quarterly progress update on 16 March 2023.

- 4.4.8 Following consideration of the progress report to Audit & Risk Assurance Committee and Budget & Corporate Scrutiny Management Board, those members will identify areas for further exploration and reporting. Any recommendations or comments from these committees for Cabinet's consideration will be presented to Cabinet

4.5 External Reviews

- 4.5.1 External assurance continues to play a part in our improvement journey to monitor our progress in addressing the recommendations made through external reviews. Grant Thornton, LGA and CIPFA conducted follow up reviews in late 2022. Cabinet received the Grant Thornton and LGA reports in December 2022.

- 4.5.2 The CIPFA FM Model Reassessment Report is included at appendix 5 with context and findings summarised below.

4.5.3 CIPFA Review – Background and Scope

- 4.5.3.1 CIPFA were commissioned by the council to undertake a review of the financial management and governance arrangements using the Financial Management Model to contribute to the development of the council's financial management operation and arrangements. It assessed the council's financial management capability, its internal processes, and operations. It also examined how the council plans its future financial management.
- 4.5.3.2 The report from CIPFA received in January 2022 set out that the council was financially stable and in recent years has been able to contribute towards reserves through achieving a balanced budget or an underspend, but that the authority has previously lacked ambition and innovation and has a very traditional approach to financial management.
- 4.5.3.3 The scoring process generated an overall star rating between one and five, five being the highest. Sandwell achieved an overall rating of two stars and was considered to be a progressive two-star authority with an encouraging direction of travel. CIPFA made 14 recommendations which were incorporated into the single Improvement Plan agreed by Council in June 2022.

4.5.3.4 CIPFA completed a Financial Management Model Re-assessment Review in December 2022.

4.5.4 CIPFA Financial Management Model Re-assessment Review – Key findings

4.5.4.1 The CIPFA Financial Management Model Re-assessment Report sets out that Sandwell has improved from a progressive two star rating to a three star rating.

4.5.4.2 Findings are arranged within the report according to CIPFA's model topic headings: Leadership, People, Processes and Stakeholders. All of these topic headings received increased individual scores.

4.5.4.3 Key points raised were that:

- Positive progress was evident and represents a step change in under a year, which is to be commended
- Finance is seen as a key function and priority and there is a positive commitment to the finance improvement programme
- The Director of Finance is well-respected
- The MTFS is now much stronger
- The budgetary process has improved
- The emphasis on business partnering has been broadly welcomed
- There is a coherent agenda and programme of financial reform
- There is clearer evidence of strategic and operational awareness

4.5.4.4 CIPFA raised a series of areas for the council to continue to focus on. Due to the date of receiving the CIPFA report, responses to these areas of recommendation will be incorporated within a further update of the Improvement Plan.

4.5.5 Responses to Follow up Reviews from Grant Thornton and the LGA

4.5.5.1 Grant Thornton and the LGA raised a series of recommendations and improvement points in their follow up reviews which have been considered. Responses to the recommendations are set out in Appendix 6.

4.5.5.2 Grant Thornton did not issue any new statutory recommendations in their follow-up review. They issued 4 new key recommendations. A summary of the response to these is outlined below:

- **Key Recommendation 1** - The Council must conclude the design of Phase 2 of the Improvement Plan, which will focus on organisational culture, values and behaviours required to deliver change, and introduce a “golden thread” aligning corporate KPIs to individual’s performance objectives, so that planned improvements and changes become embedded across the organisation. The Council must also use the improvement building blocks now in place to bring a greater focus on service user responsiveness and outcomes.

Phase 2 of the Improvement Plan will include milestones around organisational culture and the actions to embed a golden thread including refreshing Vision 2030 and finalising Directorate level business plans. The response also sets out that a greater focus on outcomes for residents is being reflected in the One Team Framework and Workforce Strategy. These are reflected through the January changes to the Improvement Plan.

- **Key Recommendation 2** - The Council needs to ensure that the new corporate PMO remains appropriately resourced, integrates all transformation and change activity being undertaken across the Council, and has access to appropriate data sources to be able to effectively monitor the delivery.

The establishment of the Corporate PMO is being progressed with support from Local Partnerships to ensure that we draw on best practice. The Corporate Transformation Office has been established and there is an agreed framework to integrate all transformation and change activity.

- **Key Recommendation 3** - The Council should progress and finalise outstanding actions relating to our previous recommendations, in particular introducing a commercial strategy and an asset management strategy and conclude the service based actions arising from our previous recommendations including finalising the outstanding Service Delivery Contract with Serco, and the creation of the new leisure services company. The Leadership Team needs to ensure there is appropriate corporate focus on medium term financial planning and financial statement production.

The council continues to have oversight of the progress against the service issues raised in the 2021 Grant Thornton review. The commercial strategy is in its final stages of preparation, the asset management strategy has been approved, good progress is being made in relation to the contract with SERCO and the establishment of the LATC. Leadership Team retains a robust corporate focus on medium term financial planning.

- **Key Recommendation 4** - Once all the planned revisions to the Constitution have been agreed, the Council will need to embed these changes and demonstrate sustainable improvements in governance and scrutiny of decision making.

Work has already commenced to embed the revisions to the Constitution in working practice. Phase 2 of the Governance Review focuses on embedding changes and the next milestone is to agree the project plans.

- 4.5.6 The responses to all the recommendations from Grant Thornton and the LGA are incorporated into a refresh of the Improvement Plan which has been managed through the established change control process. The changes are set out in section 4.8 of this report.

4.6 Resources

- 4.6.1 In the development of the Improvement Plan, a review of the resources available to deliver the Plan was carried out. Resources to deliver the Improvement Plan have been allocated from within existing commitments in the majority of cases. Council approved funding of approximately £1.768m for one-off funding to progress improvement plan actions.
- 4.6.2 Recruitment to key positions has taken place including interim corporate transformation capacity to establish programme and project management governance arrangements. Other elements of recruitment are underway. Consultants have been commissioned to support the council's work on organisational culture and resources have been deployed to support the implementation of finance improvements and the Governance review. A summary of the Q3 position on all Council reserves is provided within the Q3 budget monitoring report considered by Cabinet in February.

4.7 Risk Management

- 4.7.1 The Improvement Plan Risk Register underpins the council's strategic risk relating to the council's Improvement Plan (59a 02/22) and is currently rated as an overall Amber risk. The risk register is reported monthly to Leadership Team and quarterly to Cabinet and Audit & Risk Assurance Committee.

4.7.2 The current risk register is attached as Appendix 7. The main risks are associated with:

- **Resources** – for delivery of key components of the plan including the performance management framework, asset management system implementation and culture change programme. The financial resources required have been identified and were approved by Council in June.
- **Organisational Culture** – If the organisational culture doesn't change, this will limit the improvements that can be made. A theme within the Improvement Plan focuses on organisational culture. A comprehensive engagement programme with staff has taken place and the resulting One Team Framework is due for approval in March. External reviews have provided assurance around the positive changes to the Member and Officer relationship.
- **Communication** – to ensure everyone is aware of their respective roles and responsibilities. Communication is taking place through a range of methods including briefings, live events, and regular messages.
- **Performance Management Framework** – to ensure that we can effectively monitor progress and evidence improvement. Each theme includes an outline of how success will be evidenced. Processes for monitoring progress are in place
- **Investment and Financial Resources** – to ensure financial resources are made available resource gaps/ pressures associated with the Improvement Plan have been identified
- **Programme Management Arrangements**- to ensure appropriate programme management arrangements are in place existing experienced resource is being used. Governance arrangements in place for the Improvement Plan
- **Constitutional Changes (new risk)**- If key governance changes (agreed during 2022) are not embedded throughout the organisation then opportunities will be missed. First round of training has been delivered along with revised templates and guidance. Phase 2 of the Corporate Governance Review is underway and this will focus on embedding the constitutional changes

4.7.3 Since the last quarterly report to Cabinet, the following risks have reduced:

- IP9 - Constitutional Changes (Amber to Green and now closed).

- IP10 - Performance Management Framework (PMF) and Data Quality (Red to Amber).
- IP11 - Continued focus and resources allocated to historic issues (Amber to Green).
- IP 12 - Risk approach and progress monitoring (optimism bias) – (Amber to Green)

4.8 **Changes to the Improvement Plan and Monitoring Method – Phase 2 Refresh**

- 4.8.1 The Improvement Plan is intended to be a live document updated to take account of progress and relevant changes.
- 4.8.2 The Improvement Plan report to Council in June 2022 set out that changes (which may include the addition of new workstreams or objectives, or the amendment of timescales for delivery of actions) will be tracked through programme management mechanisms and that Cabinet will retain oversight of changes through regular formal reporting.
- 4.8.3 This refresh to the Improvement Plan includes the responses to the Grant Thornton and LGA follow up reviews. The refresh reflects that the majority of key milestones outlined in June 2022 have been delivered and an increasing focus is being taken on embedding and sustaining changes. As such, the refresh is referred to as the Phase 2 Improvement Plan.
- 4.8.4 The list of all changes is provided in Appendix 8. Where new actions have been added to the Improvement Plan, these are displayed within the monitoring tool with red font colour. Changes as a result of the Grant Thornton and LGA follow up reviews are also referenced within Appendix 6.
- 4.8.5 The changes made are summarised below.
- 4 new workstreams have been added/amended
 - 5 main actions, 26 sub-actions, and 1 assurance action have been added
 - 32 changes made to action delivery timescales, and milestones (4 of which are of more than 3 months)
 - 16 changes to replace/move actions/milestones
 - 6 changes made to descriptions of actions

- 1 change to delivery lead throughout the plan (from Director – Business Strategy and Change to relevant Director/lead)
- 11 actions have been closed as the activity is complete

4.8.6 The monitoring method that has been in place for the Improvement Plan since June 2022 has involved actions being attributed with a risk rating and a 'progress against plan' status rating. These ratings have been combined to form an overall theme status rating to provide Leadership Team with oversight of progress and delivery issues.

4.8.7 As part of this Phase 2 refresh to the Improvement Plan, the monitoring method has been reviewed to ensure it remains fit for purpose. The review included consideration of some queries raised around the theme status ratings and the approach to attribute all actions a risk rating due to duplication with Directorate Risk Registers, Strategic Risk Register, and project risk registers.

4.8.8 Following the review, the changes made to the monitoring method are for action risk ratings to be replaced by a focus rating (to express areas of the plan that are a current delivery focus for leadership team), and for theme status ratings to no longer be used within the monitoring method.

5 Alternative Options

5.1 The Value for Money Governance Review was undertaken as part of the external auditor's role to provide assurance on the council's arrangements for securing economy, efficiency and effectiveness in its use of resources. As the report includes statutory recommendations the council has a legal obligation to respond appropriately.

- 5.2 The Directions issued by the Secretary of State are a statutory requirement and the council has a legal obligation to respond appropriately. Failure to do so would likely result in further intervention measures.
- 5.3 Reviewing progress against the Improvement Plan enables senior officers and members have oversight of delivery, and take corrective action, as necessary. Alternative methods of monitoring progress could be adopted. The current monitoring method is regularly reviewed to ensure it remains fit for purpose and provides Leadership Team with the oversight they require.

6 Implications

Resources:	The monitoring of the Improvement Plan is being carried out within existing resources. Council's approval of the single Improvement Plan included allocation of resources to ensure delivery of the Improvement Plan. These resources are monitored regularly by the Programme Management Office and Leadership Team.
Legal and Governance:	<p>On 22 March 2022, The Secretary of State for Levelling Up, Housing and Communities issued Directions under Section 15(5) and (6) of the Local Government Act 1999 (the 1999 Act) in order to ensure that the council can comply with the requirements of Part 1 of the 1999 Act. Failure to comply with these Directions may lead to further intervention measures for the council.</p> <p>The delivery of actions within the Plan agreed by Council in June 2022, as well as any subsequently identified actions, will support the council to achieve sustainable improvement. This will support the end of government intervention.</p> <p>Ultimately, the changes made through the Improvement Plan will enable the council to effectively deliver its strategic priorities and ensure it is delivering value for money for Sandwell.</p>

Risk:	<p>If the Council fails to take appropriate action to meet the requirements set out in the government Direction, or the Commissioners appointed by the Secretary of State do not have sufficient confidence that appropriate actions are being taken to implement and sustain the required improvements, then the council risks not having appropriate arrangements in place to comply with its best value duty under Part 1 of the 1999 Act. This could lead to further government intervention, increased costs and damage to reputation.</p> <p>A risk register is in place and will be maintained for the duration of the Improvement Plan which will underpin the council's strategic risk relating to the council's Improvement Plan (59a 02/22). This will be reported monthly to Leadership Team, quarterly to Cabinet and will be regularly reported to Audit and Risk Assurance Committee.</p>
Equality:	<p>The successful delivery of this Improvement Plan will require the development and review of many of the council's policies and procedures. These changes will build in consideration of the impact on equalities throughout the development and will include an Equality Impact Assessment where appropriate.</p>
Health and Wellbeing:	<p>The underpinning objective of the Improvement Plan is to ensure the council is able to achieve the strategic priorities as set out in the Corporate Plan. These priorities focus on improving the health and wellbeing of our residents and tackling health inequalities in a multi-faceted way. Therefore, any improvements to the council's governance structures will strengthen the council's ability to deliver services that will improve the health and wellbeing of Sandwell.</p>
Social Value	<p>Within the Improvement Plan, the council is committed to developing the Social Value Policy in conjunction with the refresh of the Procurement & Contract Procedure Rules. Through strengthening our asks of contractors through this Social Value Policy and linking them to the Corporate Plan objectives, the</p>

	council will be able to maximise its social value return.
Climate Change	The underpinning objective of the Improvement Plan is to ensure the council is able to achieve the strategic priorities as set out in the Corporate Plan. Green in everything we do is one of the Fairer Sandwell principles running throughout the Corporate Plan. Any improvements to the council's governance structures will strengthen the council's ability to embed this principle and further the climate change agenda.
