- 1.1 That the Children's Services and Education Scrutiny Board considers and comments on Sandwell Children's Trust (SCT) Annual Review 2022/23 and Performance Update.

2 Reasons for Recommendations

4 Context and Key Issues

- 4.1 The contract with SCT has a comprehensive programme of governance arrangements. The contract requires that the Director of Children and Education, together with council senior officers from finance and legal services, and the Chief Executive of the Trust meet on at least a monthly basis to consider performance and operational matters. In addition, each quarter, the Lead Member for Children’s Services and the Chief Executive of the council meet with the Chair of the SCT Board and the Chief Executive of SCT, at a Strategic Partnership Board.
- 4.2 The contract with the Trust specifies that representatives of the Trust should attend Council meetings when reasonably requested, specifically referencing attendance twice a year at the Children's Services and Education Scrutiny Board and at the Budget and Corporate Scrutiny Management Board if requested.
- 4.3 The contract requires SCT to provide regular performance updates for consideration by the Operational Partnership Board, the Strategic

Partnership Board and then by the Cabinet. Progress against the performance indicators for the period 01 April 2022 to 31 March 2023 is set out in the Annual Review 2022/23, together with information about financial, workforce, and other performance areas.

- 4.4 Since April 2018 the Trust has been the subject of seven monitoring visits from Ofsted as well as a focussed visit, three inspection visits of the fostering service, a full inspection under the Ofsted's framework and guidance for inspecting local authority services for children (ILACS) in May 2022 and most recently an inspection of adoption services in December 2022.
- 4.5 The judgement following the inspection undertaken in May 2022 was one of 'requires improvement to be good'. With the judgement of 'good' received by the fostering service in August 2021 and a judgement of 'good' for the adoption service in Dec 2022 there is a clear trajectory of service improvement.
- 4.6 The Trust have undertaken a refresh of the Improvement Plan, utilising the feedback provided by Ofsted following ILACS inspection with an aim of becoming a 'Good' or better organisation.
- 4.7 The delivery of the improvement plan will be overseen by the Improvement Board, which will be chaired by DfE appointed independent chair Lou Williams, and progress monitored as part of the Council's contractual monitoring processes

5 Alternative Options

- 5.1 At its meeting on 19 October 2016, Cabinet was advised of the Government's Statutory Direction (under Section 479A of the Education Act 1996) to set up a new arrangement in the form of a children's trust to deliver children's social care services. As a result, Sandwell Children's Trust started operating on 1st April 2018. The Service Delivery Agreement includes a contractual requirement to attend Children and Education scrutiny twice per year. Any alternative to the current arrangement must

be agreed by both the Council and the Trust and go through a formal contact variation process.
