

Notice of an Executive decision under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

The Cabinet will be asked to consider and determine the following matter, which is a key decision, on 18 May 2016:-

Schools BSF Programme – Extension of the ICT contract

The item, which seeks approval of a ICT Contract for Schools, is a key decision within the terms of the Regulations.

Schools BSF Programme seeks to provide ICT services on an ongoing basis include facilities management to schools in Sandwell.

The Regulations require that 28 clear days notice is given before a key decision is made, however, this was impracticable in this case as the contract must be in place before the current contract for ICT provisions expires on 5 June 2016. Due to the time constraints in consulting with individual schools in the area, it was not possible to give sufficient notice in time.

Due to this, and in accordance with the Regulations, the Chair of the Budget and Corporate Scrutiny Board has been informed of this matter in writing.
